plans well in works

Summer Festival fever is catching and you can catch yours this week.

The first program of events and the yellow and black festival button will be distributed this week.

Be sure to get yours so you can take part in the fun-filled week - June 28 to July 4.

Already over 200 letters of invitation have been sent out to weekly papers inviting readers from the entire province to come to get acquainted with Penetanguishene.

Why don't you clip out this column and send it to a friend and invite them to come for this first annual Festival.

Sunday the 28th begins with Liberty Days at the Naval & Military Establishments.

Enjoy all the fun that sailors had on shore-leave back in the 1800's. At 3 p.m. on the town dock the famous Dock Lunch Hamburger Eating Contest will be held.

The world record is 21½ hamburgers and last year's winner managed 17 hamburgers. CKMP will provide live

coverage, swallow by chew, but be sure to watch.

The Hurons Gymnastics will host an open house all week at Corpus Christi to kick off their summer camp program.

Everyone is welcome to visit and take part in this. Monday there will be a fund-raising Bike-a-Thon beginning at 1:30 at the arena.

The monies raised will be used by the Tiny-Tay Huronia Handicapped Association. They have distributed pledge sheets to the schools. Students are urged to pick up a sheet and get pledges for this 8¼ mile route.

Tuesday night at 7:30 there will be a family nature walk with naturalist Denise Lauzon from the Wye Marsh. The naturalist will lead the walk through the Penetanguishene Park Nature Trails on Robert Street W. near the water works.

Wear boots and bring binoculars for this family evening.

That same night at 8 p.m. teens can dance the night away with the Wolf Man at

a Gigantic Teen Dance at the Curling Club.

Wednesday - Canada Day, and a civic holiday, so the Chamber has packed July 1st with over 20 events. There will be a Beer Garden, an all day gigantic community exposition, an all day auction, games of chance, live entertainment, demonstrations, and a live CKMP Music Festival that evening.

The community auction is being held to raise money to finance this festival and a community project.

Donations are being collected and we would appreciate yours. Please call the Chamber of Commerce office at 549-2232 or 549-2940 to arrange pickup. Even a small donation would be appreciated.

In all, there are over 43 events scheduled into the Summer Festival. Be sure to buy a button and get your schedule so you won't miss any of the fun.
