

GomanBoats' latest

This beautiful 37-foot fiberglass racing sailboat is one of the latest achievements of Goman Boats in Midland. It was loaded on a trailer Monday to be transported to Hamilton where the owner will pick it up. The sailboat is the largest they've turned out to date and was designed by Steve Killing of Port McNicoll. It took in the labour of eight men since

November, working eight hours a day and weighs 13,000 pounds. The boat is valued at over \$100,000 and construction was supervised by Bill Goman and Brian Cramer. Goman Boats will be completing another 37-foot boat of a completely different design by the end of June.

Viewpoint on summer

by Nancy Hook

As the warm weather approaches us, so does the end of another school year. Whatever will our children do to keep themselves amused for the summer months? How about a summer playground?

A summer playground offers such

a variety of activities that children don't have time to be bored.

The playground offers rewards, learning of skills, new friends, swimming and crafts but most of all, it offers great outdoor fun.

Where can you find this summer playground? Here's an

idea, Camp Wendakay sponsored by the Midland Y's Men's Club beginning June 30 and ending August 7.

Camp Wendakay will be operating Monday thru Friday with activities beginning at 9:00 a.m. and finishing at 4:30 p.m. with a

supervised lunch hour.

Registration is now taking place at Midland YMCA for a fee of \$25.00 per child per week.

Schmidt wins racing opener

Gunter Schmidt of Midland is starting off his racing season with some impressive finishes, having just come back from Sanair, Quebec where he was racing on the weekend. Schmidt placed first in the B category in his

modified Volkswagon Scirroco, taking fourth overall.

The event was the first annual Moly Slip Endurance race.

Schmidt finished third overall in Canada last year with several thirds, fourths and fifths in the season.

He is an employee at Leitz Canada in Midland

and aside from some help from Roth Motors in Orillia for parts, Schmidt is an independent racer.

Schmidt will be racing his Scirroco in other races in Canada this year, those being held in Edmonton, Manitoba, Nova Scotia, Quebec and the final race at Mosport.

Midland tykes battle back for 8-7 win

It was a difficult comeback victory for Midland Gervan and Jones Tykes baseball team Monday night in Little Lake Park in Midland as they fought back from a six run deficit to take the game 8-7 over Alliston.

Pitching for Midland was Rob Lee who threw a three-hitter while David Birkett was Midland's big slugger with a home run and a single.

Also getting some good hits for Midland when they were needed were Bill Rankin and Monique Armstrong.

Winner

First Lafontaine Cubs draw winner: Mike Orser, Lafontaine Road, Penetanguishene.

Lucky ticket No. 1507.

Duval's Variety blocks The Pass with five runs

Duval's Variety of Penetanguishene Fastball League play played a super game Tuesday night in Penetanguishene, blanking The Pass team 5-0.

In the other game Tuesday, Lercar Construction edged out Caswell's Antiques 6-5 for the win.

Thursday night, The Pass redeemed themselves by downing Lercar 3-1 while Duval's Variety continued in their winning pattern, defeating Penetang Sand and Gravel 4-1.

The wins by Duval's Variety puts them into first place with three wins and one loss in four

games with no ties for six points.

In second place is Lercar Construction with two wins, one loss and no ties for four points.

Penetang Sand and Gravel are third with one win, one tie and one loss for three points while The Pass is fourth with one win and two losses for two points.

Caswell's Antiques are in the basement spot with no wins, two losses and one tie for one point.

Sail-past June 7

The date is set for the annual Sail-past of the Midland Bay Sailing Club, that date being Sunday.

The Sail-past marks the official opening of the new sailing season and gives club members a chance to salute their Commodore.

Things get under way at 2.30 p.m. with the boats gathering around the red marker buoy in Midland Bay.

The boats will start sailing past at 3 p.m. and will use a variety of methods to salute the Commodore, whether it

be dipping flags or luffing jibs.

The Commodore's yacht will be positioned at the foot of the Midland Town Dock.

Providing the music for the event will be Midland Secondary School's band and they will begin playing at 2.30 p.m.

Event organizers also hope to have a wind-surfing exhibition going on at the same time with a master-of-ceremonies describing the different yachts and explaining what is happening to the public.

APPLICATION Midland Minor Hockey Association
