

Orthopedic expert addresses Shriners

Flanking Dr. Mercer Rang are Midland Shriners' publicity director Noble Ron Mink, left, and Midland Shriners' president Noble Murray McComb, right. Dr. Rang, an orthopedic surgeon with the Hospital for Sick Children, addressed local Shriners this past Tuesday on the prevention of handicaps in children.

Hiring a student for summer starts at employment centre

Bonnie L. Curry. Have you ever thought of hiring a student to help you do an odd job, or to help you complete that home improvement?

We at the Canada Employment Centre for Students in Midland have almost 200 youths ready, willing, and able to help the home owner or business person finish those special projects.

Students may be hired on short notice, and be employed for an hour, a day or a week. When the need arises they'll be there to fill it!

Already this year students have answered the calls for casual employment from over fifty home owners and business people. The most common casual jobs are babysitting, grass cutting and yard maintenance.

But, be creative like one homeowner who has hired students to con-

struct his tennis courts, or another to shingle his cottage.

Want someone to help you with Spring cleaning, washing the aluminum siding, or

putting on a fresh coat of paint?

Fifteen local people did and hired students to help them.

Our students have helped to move docks

and pinball machines, spread fill and plant gardens, deliver business flyers, help a farmer plant and plow, and even run a child's Birthday party!
