

# YMCA reaching out again this year

Midland YMCA is about to begin another Outreach Swimming Program for children in the Huronia areas.

Due to the success and popularity of last year's program, they have decided to offer this activity once again.

The lessons start June 29 and end August 21 and are divided into two week sessions. The children are taught swimming skills and water safety rules over this two week span.

The aim is to provide a program that will ensure a safe summer for children who are by the water and to improve basic swimming techniques for the individual.

Specific pools are designated within the neighbourhoods of the Huronia communities. Competent instructors will meet the children

daily for one hour for their lessons.

Classes are not held on weekends or statutory holidays, July 1 and August 3.

In order to fulfill the program objectives and teach the lessons in the convenience of your own neighbourhood, the YMCA requests the public help.

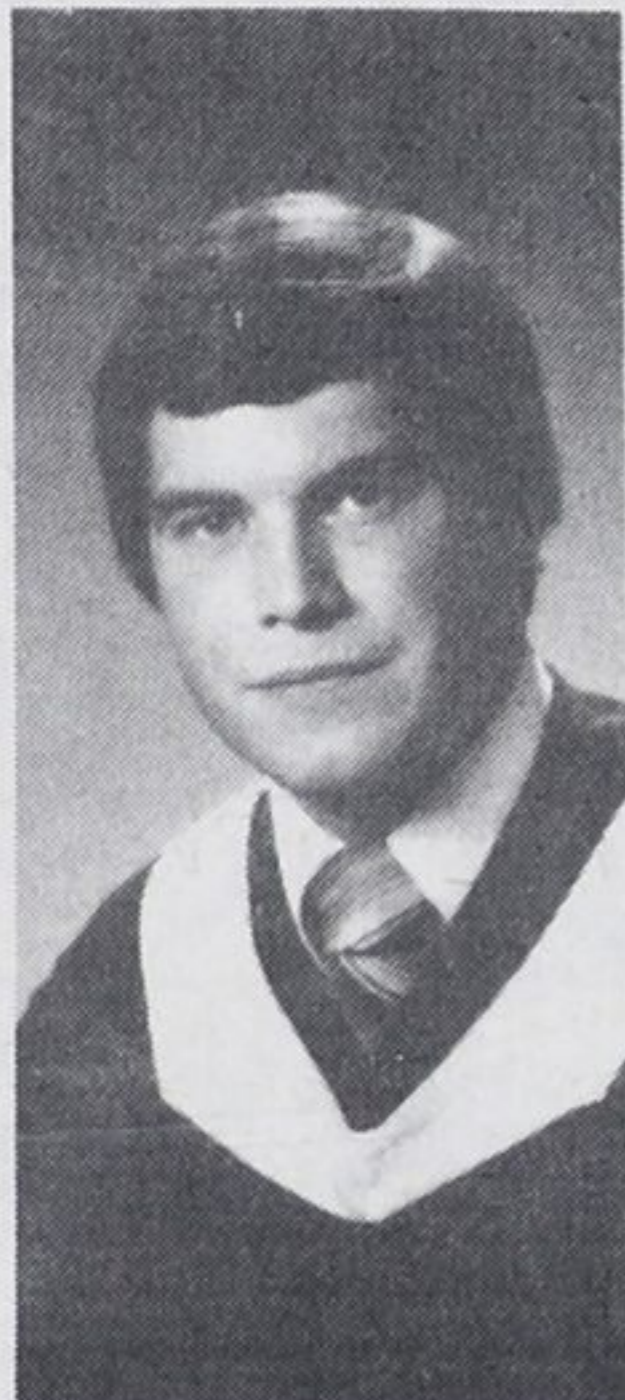

Because of the shortage of public pools in these areas the YMCA requires pools to be donated by the private sector.

This would involve using private pools for two hours daily, Monday through Friday for a period of two weeks.

If you are interested in donating your pool for these classes, please contact the Midland Family YMCA at 526-7828 for more information.

**Bernice Edith Lyons** daughter of Mr. and Mrs. Kevin Lyons of Midland graduated from University of Waterloo Co-op program with a Bachelor of Mathematics degree, on May 30, 1981. In between work assignments with Kenneth W. Ball and Co. Chartered Accountants she is studying for exams required for the CA designation.

**Tim McDonald** has graduated from the University of Western Ontario with an Honors Bachelor of Arts in Business Administration. Tim is a former student of Sacred Heart and St. Theresa's High School. He will be working as a consultant with Arthur Andersen and Co. in Toronto.

## Bigger bus for town

Midland council this week approved buying a new 1981, 30-foot, 31 passenger Orion bus similar to this one tested out back in January in Midland. The bus will cost \$96,686 of which if the purchase is approved by the Ministry of Transportation and

Communications, the MTC will pay 75 per cent leaving the town to pick up \$24,171.50 of the overall cost. Midland's share will come from a \$50,000 reserve account for transit equipment.

**Granting credit is a gamble, unless....**

you see us before making your credit decisions.

The Credit Bureau will give you the information that you need to decide who to grant credit to and what credit limits you should set.

We're a credit reporting agency that gathers, records and reports information that has a bearing on your customer's ability and willingness to pay you. We don't grant credit but we will advise and assist you in any way possible.

We maintain a central filing system that will tell you the paying habits and history of your customers so you can identify the people who are good credit risks and those who aren't. In short, we're a clearing house of credit history.

Our records of your customers' residences and business accounts are easy to read, complete and continually updated. We have 45 offices in Ontario with affiliates throughout Canada and the United States.
