

They really cared to give the 'gift of life' Wednesday

A total of 466 donors showed up at Wednesday's Red Cross Blood Donors' Clinic at the Midland Legion.

Although several dozen were deferred until the September clinic, a total of 403 pints of blood were

collected.

The Huronia Branch of the Red Cross had hoped to raise 325 pints of blood.

Needless to say the organization was thrilled the goal was topped.

For the first time in a local clinic's history, and at the suggestion of The Midland Times, the names of Wednesday's donors appear below with our thanks for allowing us to publicize their names, since they really cared to "give the gift of life" ...

Robert Wyant, Leslie Gilchrist, Shirley Charlebois, Elizabeth Pilon, Bert Pilon, Mardie Rourke, Frank Vandraar, Allan Latour, L. Brian Rawlins, Tom Robitaille, Tom Wright, Barbara Cascagnette, James Hanratty, Julie Ladouceur, Erica

Brown, Dan West, Brent O'Hara, Shirley O'Hara, Teresa Murrell, Katherine Vessair, Wilfred J. Mohan, Vern Moreau, Andrew Larmand, Ron Jones, Andy Jones, Louise Butler, Peggy Butts, Wayne Londry, Deborah Kelly, Stuart Cardwell, George Haworth, Mark Losch, Donald Kennedy, Andrew Wicksted,

Moreau.

That didn't hurt?

Clinical assistant Janice Beaban adds a bandage to Paul Vallee's arm just after the Penetanguishene resident donated a pint of blood at Wednesday's successful

blood donor's clinic held at Midland Legion. The Huronia Branch of the Red Cross had set a goal of 325 units of blood. That target was topped after 403 units

were collected from the 466 who attended. A total of 63 donors were deferred to September's clinic at the Legion.

12-7 vote

SCBE paves way for new high school

Trustees voted 12-7 in favour of accepting the single bid to build a school for Ecole Secondaire Le Caron in Penetanguishene during Wednesday's meeting of the Simcoe County Board of Education in Barrie.

Opposition to the project stemmed from a feeling among some trustees that there should be more than one

bid, Penetanguishene trustee Alvin Gravelle said yesterday.

Although 12 companies obtained the specifications for the high school, only one company, Eldale Structures of Guelph, entered a tender bid.

Wednesday evening the board gave its permission for Eldale Structures to build a demountable building in

Penetanguishene at a cost of \$1,048,230.

Ed Mills, assistant superintendent of business (plant) told the board that it would necessarily mean any difference in the number of tenders of the project were put out to tender a second time, Gravelle said.

The board should have the working drawings for the school

in its hand for approval in time for its next meeting, June 24, Gravelle said. After the working plans have been approved by the board, they must be forwarded to the Ministry of Education for its approval.

Gravelle said the board expects that the Ministry will approve the plans without undue delay.

Nov. 29 is the com-

pletion date for the school.

In other board business, the board accepted without debate a response from its director of education to a number of questions put to it about the proposed high school by a representative of the Concerned Citizens for Bilingual Unity, who addressed the board at its last previous meeting on May 27.
