Bulls earn a rest

Midland Bulls Rugby Club will be enjoying a well-earned rest tomorrow with no scheduled game for this weekend.

The Bulls won their last game Saturday 15-9 over York County II for their first win of the season.

Their next game will be held a week from tomorrow in Lindsay, that match getting underway at 1:30 p.m.

Money part of reason for lack of school

A summer school is not scheduled for Penetanguishene's separate school students this summer, Simcoe County Roman Catholic Separate School Board director William Bolger said Wednesday.

Two problems weigh against a summer school, the parent who asked the question in Ecole St. Louis was told.

Financing could only come through an Experience '81 grant, and the available grant to the board is being spent in another manner. In addition it would be difficult to find proper staff. The other problem is the problem of transporting children to and from summer school.
