

Penetanguishene will be jumping during Summer Festival 1981

June 28 - July 4
The banner proclaiming the festival is up and yellow festival buttons can be seen around Penetanguishene.

The enthusiasm is catching and already the chamber has been impressed with the excitement shown around town. Take part in festival contests. Something different has an old-fashioned jelly-bean counting contest in the store. This newspaper will be holding a Summer Festival amateur photograph contest. Watch for further details of this photography event in the paper.

The Penetanguishene General Hospital auxiliary will be holding its Thank-You Tea and Open House June 28, as part of the festivities! "We want to invite everyone to our Thank-You Tea, to show them what their generous donations have accomplished at the hospital." The tour of the new chronic care section will be an interesting Sunday outing.

Are you a scuba, or skin-diving enthusiast? All week long, Sub Services will be conducting a harbour sweep at the town dock. This is an underwater clean up. Wednesday, they are organizing an underwater treasure hunt at the dock.

There will also be a week-long program of instruction and demonstrations of skin and scuba diving equipment and techniques. Be sure to come down and watch.

Kids! Wednesday morning, July 1, there will be a fishing derby for under 16's. Duval's Variety is sponsoring the event. There will be prizes, such as a trophy mounting of your fish, and the only cost for this contest is your summer festival button.

Be down at the dock on Wednesday morning and you might be a winner.

Thursday evening at 7:30 p.m. there will be a second Family Nature Walk at the Penetanguishene Park Nature Trails on Robert Street, near the waterworks. A naturalist from the Wye Marsh will explain about the nature trails and identify birds, flowers and plants for you. Bring binoculars and dress according to weather.

Every day at 2 p.m. the Georgian Queen will leave the dock area for its scenic boat cruise, but Friday, July 3, you can get a ticket for a romantic moonlight festival cruise. Inquire at the Chamber office today.

The homecoming and hospitality theme of the

Summer Festival is being supported by the special festival hospitality breakfast offered each morning at the Hotel Brule dining room. Tuesday evening, the Commodore Hotel will be having their homecoming evening and friends are invited

We plan on doing this with an official opening, free windshield wash, student versus the employers volleyball match, and a shoe shine. We are hoping the mayor's of both Penetanguishene and Midland will be in attendance along with a number of the local
