Got the summertime nothin'-to-do-around-the-house blues? Join kids from all across Ontario for some great times and a free fun-book.

If you're 7 to 12 years old, special programs just for kids on TV Ontario will show you how to make a mask or a kite, and lead you on an adventure through a time machine to a planet of robots. This

special television package is called Camp TV Ontario, and it will entertain you weekdays 6-31 July and 3-14 August.

And to make it even more fun, TV Ontario will send you an Activity Funbook absolutely free. This funbook is full of games, puzzles, and mysterious messages. But the only way to find the answers is to watch J.J. (Jumpin' Jack)

during Camp TV Ontario shows. J.J. will provide the key to the puzzles. The Activity Funbook gives you the entire schedule of Camp TV Ontario programs, so you won't miss J.J. and his clues. Channel 2 is the TV Ontario channel in this area.

Cord highlight of guide meeting

June 16th was a very special night for the first Wyevale Guide Company. Not only was it their final meeting for the year, but it was the first ever Cord Presentation for White Pine District.

Commissioner Nora McLernon presented Amy Johnstone with her All-Round Cord. This is the second highest honour a Girl Guide can receive, the highest being The Canada Cord earned in Pathfinders.

Both require a lot of hard work, usually taking three years to complete.

Congratulations, Amy for completing it in only two.

Amy goes on to Pathfinders in Sept. along with seven other girls. This will make room for the eight Brownies that flew up to guides in May at their banquet.

Mothers of the guides provided food and drinks for all. There was also a special treat of potato chips from Len's Service Station.

The weekend of the 12th, there was a guide camp held at Camp Marygrove on Penetang Bay. This was another first for the Wyevale guides.

Help is available to pay your OHIP premiums.

Ontario residents with low incomes are entitled to assistance in paying OHIP premiums. More importantly, the amount has been changed in the most recent Ontario Budget.

If your income as a single person is less than \$8,200 or your total income as a family of four, for example, is below \$14,000, you may be eligible for assistance to pay all or part of your premiums.

As always, pensioners or those

receiving social assistance continue to receive OHIP coverage without charge.

The best way to check your eligibility is to contact your local OHIP office. It's listed in the Blue Pages of your telephone directory under Government Services.

Please ask because you may very well qualify for OHIP assistance today, even though you might not have in the past.
