

Fun-filled program

What a line-up. Free balloons for the kids, outdoor bar-b-ques, a midway for the little ones, space walk, Cookie Monster and Big Bird, folk music, dixieland band, horse drawn wagons up and down King Street for free, displays, contests and tons of bargains.

Sound exciting? That's the program lined up for this week's annual Midland Sidewalk Sale and Old-Fashioned Fun Days.

It all starts Thursday and runs straight through until supper Saturday.

Weather permitting, this week's sidewalk sale in Midland Town Centre will be the biggest and best of all the annual sidewalk sales the town's Business Improvement Area will have held to date.

It's a super way for local merchants and shoppers to get acquainted while at the same time, literally, having a ball.

The Midland Times, the town's only locally owned newspaper will be again hosting its sensational "Right Combination Contest" with loads of cash prizes.

All you have to do is pick up a combination at one of our merchant's stores and then head to The Midland Times' "vault".

If your combination opens the treasure chest, you'll be an instant cash winner...
