Holidays didn't affect Pony League action

While holidays cut down on participants, the Pony League division of Midland Minor Baseball continued with some exciting games Monday at Parkview School.

Garms Sunoco edged Twin Lakes Sports 14-13 holding on to the lead in spite of the Sports scoring eight runs in the third inning, three being batted in by Jeff Beauchamp.

KIL defeated Tricee Custom Welding 14-13 in another hard fought game, Jill Duggan and John Kranz both had homers for KIL, the one by Kranz scoring two runs to win the game.

Midland Buildall overpowered Swick Bowman and Associates 20-13. Home runs were slugged by George Gunther and Anthony Irvine who had two, one

a grand slam.

Although Swick Bowman were stymied by some excellent fielding, Jason Drury and Scott Rowland both connected for homers. Rowland was a standout defensively as well.

Georgian Bay Real Estate had a two game winning streak halted by a much improved Huronia Office Services. The final score

was 23-14. This was the first win for HOS since early June and the big bats were connecting; Jason Howard and Ray Lacroix led HOS with homers.

Team pictures will be taken next Monday, and any parents who still wish to order a picture should contact the volunteer mother in charge of this for the team.
