

## Therriens' men storm Village 6-0

In Olympia Fastball League action Monday night, Therriens' men's fastball team blanked Castle Village by a score of 6-0.

Winning pitcher in that game was Bob Lapham who threw a total of 14 strike outs, allowing only three hits.

Pitching for Castle Village were Terry Juneau, Peter Beacock and Earl Cousineau.

Both teams were scoreless until the top of

the fourth inning when Therriens' Ken Davidson hit a single to drive in two runners, Lapham who had hit a single and Brian Smitten who hit a double.

Don Sharpen got on first base with a single then but Davidson was tagged out at second base and Willard Cadeau was caught out on a pop fly.

With two men out, Therriens' Ken Jamelin

hit a single to advance Sharpen and Gary Hamelin belted out a triple to drive home the two runners on base.

The bottom of the fourth saw Castle

Village with a good scoring chance with a man on second and a man on third.

Lapham struck out the next three batters to end that scoring chance

though.

Both teams went without a run in the fifth inning but Therriens came up with two more in the top of the sixth inning.

Willard Cadeau got on first for Therriens with a single, going to second on a ground hit by Ken Hamelin.

A double by Dave Hamelin drove in

Cadeau from second with Hamelin coming in for the final run on a single by Brian Cadeau.

The last inning was also scoreless for both teams.

## Ball hockey season goes sour

# Peewee Toros bad luck continuing

The Toros of Penetang-Midland Peewee Division Ball Hockey must certainly be thinking about what they're doing wrong, having lost their last three games.

Their game Monday night in Penetanguishene Arena ended in an 11-3 victory for the Stars, Jason

Marion leading the scoring for the Stars with five goals.

Perry Beausoleil added three goals, Pat Marchand added two and Stuart Restrup added a single.

For the Toros, Dave Restrup, Allan Geere and Greg Daniels all came up with single markers.

The Toros' losing streak started shortly after they changed their name from the Blues to the Toros.

Prior to the name change, the Toros had won one game and tied one out of three, the first one being lost when the teams were originally assembled.

After that first game,

the teams were juggled around to make them a little more even.

The week the Blues became the Toros, they lost to the Stars by a score of 4-3 but came back the following week to win 8-4.

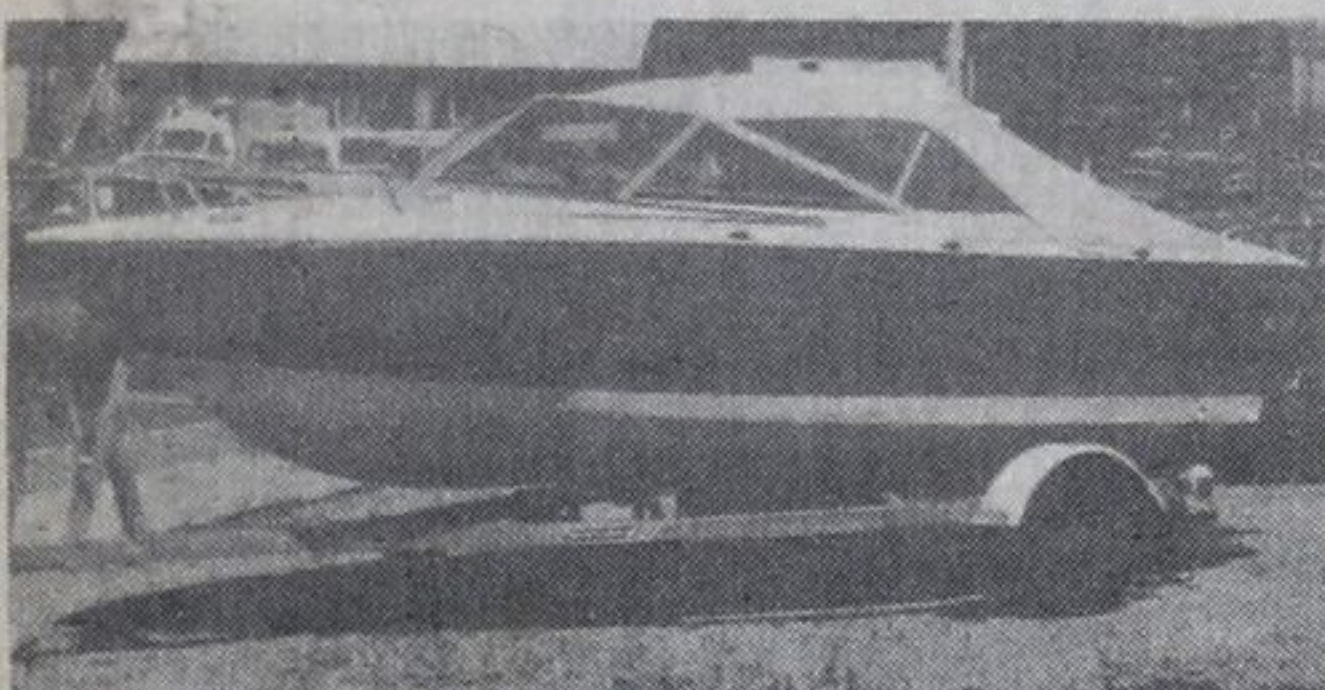

Since then, they've lost all their games by 12-4, 9-5 and 11-3 scores.

League standings for the two team league stands at the Stars with five wins, two losses and one tie in first place and the Toros in second place with three wins, five losses and one tie.

Those standings include the first week of action before the teams were juggled around.
