

Chamber to chamber courier service

Chamber president Ernie Cowden announced this week that the Midland Chamber of Commerce was joining a number of Chambers in Ontario to provide a Chamber to Chamber Courier Service for members while this nation's postal strike is on.

The Midland Chamber will accept

business papers for transmittal via PMCL courier service to other Ontario Chamber offices. Similarly, these Chambers will forward by their appropriate courier service, business papers for Midland firms.

Chamber members utilizing the service will be required to provide a fully ad-

ressed envelope, including the telephone number. The receiving Chamber will call the addressee advising them of the arrival. Charges will be assessed depending upon destination and number of pieces in a single shipment.

Chambers continue to press for an early resumption of a vital public service.

Coach tours in Europe

by Carol Crawford

Skylark Holidays is offering another coach tour in Europe for this Fall and next Spring.

The itinerary is new and offers Italy, Switzerland, Austria and Yugoslavia. You depart from Toronto by CP Air to Milan and upon arrival are transferred to your Hotel. That night there is a gala welcome dinner.

There are nine full course table d'hote dinners during the tour that are included, and also a continental breakfast daily. Sight-seeing and orientation tours in all major cities are also provided.

A farewell dinner is held in Rome and this will be the city you return to Canada from. This program is fully escorted from Toronto and excellent hotels and motor coaches are used throughout.

Departures are in September, October and then again in April, May and June for a 15 day duration.

Chatelaines Exclusive Dream Tours

Two fully escorted holidays to Portugal / Spain and Greece are being offered in September and October. These are first class holidays where you travel in armchair comfort.

The tour of Greece also includes a seven night cruise aboard the Stella Solaris. You will visit Piraeus, Dikili, Istanbul, Kusadasi, Rhodes, Crete, Santorini and Mykonos.

Time is also spent in Athens and the surrounding area. If you have tried other tours and been disappointed I am sure you will find these first class tours beyond your expectations.

Questions on Cruising

If you are unsure that a cruise is really what you would want on a holiday there is a handy little booklet available at your travel agent for the first time cruiser.

Information includes embarkation, dining room reservations, visitors, accommodation, baby sitting services, electrical outlets and much more.

Cruising is an excellent way to visit several destinations without the fuss of packing and unpacking and changing hotel accommodation.

Cruises are excellent value for your money and if compared to many package holidays they can even be a better buy.

Have a travel counsellor work this out for you and enjoy a different holiday.

Treasure Tours to Florida

Treasure Tours have dropped some of their prices to Florida for the summer months. You can now fly to Orlando for as little as \$159 return. Car rentals are also available from \$69.00 per week.

Close play for Wood

Dean Wood of Midland Indusmin soccer club almost had the ball on this play in Wednesday night's match with the Dierks club of Barrie at Midland Secondary School. Midland played well throughout the game and came

up with a 2-1, John Swales winning it for them on a goal with one minute left in regulation time. Serge Dezotti scored Midland's first goal of the game.

Blues stung 35-32

by Bev Charlebois

In Ladie's Powderpuff Softball League play, the Hornets won their game over the Blue Machine Saturday 35-32 which places them in second position in the overall standings.

The Hornets' home runs were hit by Pat Cruise in the third inning and by Anne Bourgeois in the seventh inning. Gail Johnson made an outstanding double play on first base putting a third man away.

A home run by Dorothy Cummings in the second inning and a double play at second base by Shirley Charlebois were the outstanding plays of the game for the Blue Machine team.

The Strike Breakers lost their game to the Better Halfs by default due to lack of players. Nonetheless, a practice game was held and the Strike Breakers won 22-14.

Pat and Alice had a home run each and a fly ball was caught by Donna of the Strike Breakers.

The outstanding players of the Better Half team were Sharon Weatherall who had three RBI's at the top of the sixth inning and Brenda Dosome who made an excellent catch when she caught a fly ball at the bottom of the sixth inning making it one down and one to go.
