

Going to MSS? Here are your lists

Students will register at Midland Secondary School on Tuesday, Sept. 8 at 8:50 a.m. Class lists are on these pages.

If your name has been omitted you should arrive early and check the updated lists at the Guidance Office. Following registration in the home class, students will complete a short day of all their classes.

During these classes students will be assigned texts, receive information regarding their courses and receive their initial work assignments. Dismissal will be at 12:00 p.m. at the conclusion of the mini timetable.

Students will require certain information and materials to complete their registration. All students should have pencils, pen and paper on the first day. The following information is required (1) home mailing address including postal code and home telephone number (2) parents or guardians place of employment and telephone number (3) student's social insurance number (4) Family Doctor's name (5) Bus route number.

Students who do not have an approved lock from a previous year will have to purchase a lock for their lockers. Locks cost \$3.00 each.

Students are expected to purchase a Student Activity Card on the first day of school. These cards cost \$3.00.

Physical Education students, boys and girls, require the following equipment: white socks, purple or gold shorts, and white T-shirts.

Students new to the area should call the school guidance office (526-2274) for a specific appointment time. These students should have a transcript from their previous school.

With the above information and equipment, registration on the first day of school will be pleasant and efficient.
