

by Liz and John Dennis
Wyebridge Adult Recreational baseball team won the first Annual Championship Tournament last weekend. They defeated Waverley in the first game 14-11, then downed Toanche 14-8 in the second.

The championship game was against Lafontaine and Wyebridge completely dominated this game 35-11.

As coach Milt Ellery commented, "The main reason for Wyebridge's success was its team spirit and friendship, on and off the field." Milt felt that Wyebridge exhibited a sense of unity and good sportsmanship and this helped the team when it counted.

Team members included: Ron and Joy Maynard, Andy and Sandy Crawford, Don and Kathy Gardiner, Peter Mertz, Tom Mulroy, Mary Dutton, Eddie Rowe, Sheri Jones, June Booth, June Laurin, Don Ellery and Milt Ellery.

Congratulations Wyebridge!

Six local 4-H members were busy recently. On

Tuesday, Sept. 1, 158 delegates gathered at a 4-H conference in Toronto at the Margaret Addison University.

They came from as far north as Cochrane and as far south as Niagara. From Simcoe North, fourteen girls were present. Those from this area included: Heather Fallis, representing Wyebridge; Marlene Amos, representing Ebenezer; Laurie Huneau and Krista Williams, representing Penetanguishene; and Susan Kenny and Denise Ritchie, representing Elmvale.

While at the university the girls had a sneak preview of a 1981 fashion show and they also found time to visit the McLaughlin Planetarium then travelled to the CNE for some fun and excitement. Then it was back to the Margaret Addisone for the night.

The next day, Wednesday, breakfast was at McDonalds, following this breakfast was a press release workshop.

Chartered buses then took them to the CNE where they saw the Ontario Dairy Princess

Finalists, along with 4-H demonstrations.

Later that evening, they listened to a young group of people play music followed by a buffet supper. Then back to the residence for a pizza party before going off to bed after a long and tiring day. On Thursday it was time to head for home.

Well here we are, back in the same position as last year, and the year before that and ... Where did the summer go?

As of yesterday our thoughts switch from barbeques, golf, beaches and tanning lotion to school books, yellow and brown leaves, colds, and "you left your lunch on the step Junior!"

Let's get serious for a moment. After a summer of driving our cars like an Indy pace car its time to watch out for those flashing red lights on school buses, the florescent orange belt of the crossing guard and the blue signs indicating a school zone. Make this school year the safest yet.

Congratulations to Mr. and Mrs. Joe Woods on the arrival of their new daughter Emily last weekend.
