

Lime yellow!!!

Midland Fire Department's old 1964 pumper (TOP) received a new face-lift last week complete with a new paint job. The pumper's colours were changed from traditional red and white to high visibility lime yellow (BOTTOM). It was also renumbered to No. 2 as part of Fire Chief Terry

Lethbridge's continued program of upgrading firefighting vehicles and equipment. Lime yellow? You bet. Recently the City of New York purchased 80 fire trucks .. and you guessed it they will all be painted lime yellow for better visibility both during the day and night.

K.J. Ellis new chairman

At a well attended meeting of District 13 Lawn Bowlers held Sunday Sept. 27 at the Aurora Lawn Bowling Clubhouse, Ken Ellis, past president of the Midland club was unanimously chosen chairman of the district for 1982-3.

All clubs in the district were represented including Allendale (Barrie), Beeton, Orangeville, Tottenham, Richmond Hill, Claremont, Markham, Aurora, Uxbridge, Newmarket, Stayner, Stouffville and Midland.

Harold Ellison of the Beeton club was elected vice-chairman. Grayden Broad, Walter McGilroy and Ken Ellis represented the Midland club.

The Midland club, it was announced, will host the first round of the men's district pairs playoffs next June. After the business part of the meeting the bowlers and some of the wives who were in attendance bowled two 10-end games on the Aurora greens.

BRING HOME TURKEYS

On Wednesday afternoon eight bowlers

from the men's section of the Midland Lawn Bowling Club were in Aurora to participate in a men's pairs tournament.

name.
