There will be a mens' open tournament this Sunday in Penetanguishene. Cost is \$10 which covers lineage and prize money. Handicaps will be allowed up to 25. Action starts at 7 p.m., so get there early as only the first 36 bowlers will be registered.

Now that most leagues have at least three to four weeks under their belts, members of the Midland-Penetanguishene 5-pin Association will begin their annual blitz for members. Three leagues have already signed up 100 per cent of their members -- those being the Sunday Sinners in Penetanguishene and the Tuesday 7-Ups and the Tuesday Niners in Midland - to give the association 150 members to date.

Booster club tickets are still selling well, with approximately 80 tickets having been sold so far. Anyone wishing a specific number for this draw between No. 100 and No. 200 can ask for it by getting in touch with one of the association executives. The draw starts Nov. 6.

The Midland-Penetang YBC bowlers in the junior division are in the middle of the qualifying rounds for the Master Junior Tournament to be held Nov. 1. A boy and girl bowler will accompany each of the Master Bowlers from these bowling alleys to the regional round and, if successful, they'll advance to the Ontario finals.

Bob Duquette of the Midland Industrial League rolled a 360 single on Wednesday night and Debbie Chadwick of the Tuesday Niners rolled a 310 for the ladies high score.

Collision course

The Midland Secondary School defensive line (right side) did enough charging into Twin Lakes opposition last week to help MSS to a 24-22 victory. They'll try to do the same today against Ecole Penetanguishene Secondeire Secondary School when the two meet today at 3 p.m. at MSS.

Cats alone at top

The Alley Cats widened their lead in the Sunday Sinners Bowling League by notching three wins and seven points in Sept. 27 play. The Cats now have seven wins and 17 points. The Born Losers moved into second spot with six wins and 14 points, and the Heavy Rollers hold third with five wins and 11 points.

Leo St. Onge topped the high single, high singlewith handicap and high triple with handicap categories in last week's play by bowling 318, 715, and 821 respectively.

Jim Bressette rolled the mens' high triple score of 715.

Stella McIntaggart nailed down the high single and high triple categories in the ladies' section with scores of 269 and 638.

High ladies' single with handicap went to Pauline Moreau, whose 278 was one pin better than Denise Bressette's

total. Bressette took the high triple with handicap by bowling 703. Jim Bressette continues his hold on the high mens' league average with 230-10

better than Bruce Latondress.

In the ladies' division, Barb Cascanette's 184 average is best, and Stella McIntaggart's 171 has her in second.
