Seiko Quartz.

Looking right counts. Seiko Quartz understands and has designed a rich range of distinctive styles, all with legendary accuracy. Here, handsome bracelets set the tone. Features run from instant setting bilingual English-French day/date, luminous hands and markers to five year battery life. Water-resistant, too. Running stitch bracelet is two-tone with gilt colour dial; nail head design is two-tone with black dial. Both available in gold tone with gilt colour dials. Seiko Quartz.
