## Mid-season presentation

# 'Jitters' Audition time for Players

by Mary Haskill  
"Jitters", written by the prominent Canadian playwright David French, will be Huronia Players' mid-season presentation. Mark Warrack is directing.

Auditions for the three female and six male roles will take place at 7:30 p.m. at Midland Secondary School, Room C-230 on Dec. 1 and 2.

The cast calls for a variety of ages and one role may be either a man or woman as the director decides. Warrack says "Jitters" also requires a competent backstage crew. There are two full set changes involved.

Besides, he says, the set is somewhat unconventional.

Rehearsals will begin the second week of December with a two week break for the holidays. The play will be staged Feb. 12, 13, 19 and 20.

"Jitters" will be Huronia Players' entry in the ACT Festival, the annual competition staged by the Association of Community Theatres. Huronia Players are a member group in that Association.

An Acting Workshop will be held at Midland Secondary School, on Nov. 27, 28 and 29. Joan Hanna will be in charge.
