Saturday, Dec. 5 is going to be a busy day in Midland.

First of all the Midland Civitan Club will be staging its annual Santa Claus Parade.

Secondly the Huronia Crafts Guild will be holding its very own show at the Yonge Street West Civic Centre in the town.

The craft show promises to be a major event in its own right.

Craft guild members have also been assisting members of the Midland Y's Men's Club in providing works of art for the club's annual art and antique auction.

That event, set for Friday Nov. 27, is to be held at Ste. Marie among the Hurons. You'll be able to browse from 7 p.m. until 8:15 p.m. when the actual auction is held.

Elmvalle first on SCBE list

Elmvalle District High School is at the top of the Simcoe County Board of Education's list of building projects to be submitted to the Ministry of Education for approval.

The board is asking the ministry to approve a 1983 start for a \$885,000 addition to EDHS.

Second for approval on the list is an elementary school for Barrie in the Riverwood Farms area.

EDHS has been on the SCBE list for several years, but this is the first time EDHS has lead the list.
