Wyevale

The Bavarian House, east of Midland, catered to the Campbell Clan, Sunday night, December 27. All the family but one, 30 of them, were there to help Mrs. Edgar Campbell celebrate her 85th birthday. They all thoroughly enjoyed the dinner and the get-together. The Wyevale United Church and the

Waverley Charge joined together at Waverley for their Christmas Eve and Communion service. Reverend John Locke was in charge. Mrs. Mina Parnell, from the Villa Nursing Home, Midland, and 101 years young, spent Christmas Eve with the Nerpin Family, Wyevale. She joined the rest of her family at Valah and Ken Cooper's, Elmvalle, for

the Christmas Day celebrations. A New Year's Eve dance, sponsored by the Recreation Group, was held in the Orange Centre. There was a good crowd there to see the Old Year out and the New Year in. Some of the people home for the Holidays were: Colleen Hall, Calgary; Judy Campbell, Toronto; Brian

Campbell, London; Edward Grenier, Toronto; Danny Grenier, Peterborough. Many others spent a happy Christmas Season with their families. Mrs. Jean Webb spent some time with her daughter Betty-Lou and family in Toronto. Grandma had help to get the twins oriented. Mr. and Mrs. Terry

Williams and John were to Toronto to visit the Roeslers. We are sorry to learn that Ab Martin has been a patient in Penetang Hospital. He is wished a speedy recovery. It was back to school for teachers and students alike, on Monday morning. None of them were in a big hurry. The vehicles moved very slowly. Why? Mother Nature was giving them a slippery send-off. She thought she had been good to us long enough.

We, from Wyevale Community, extend a Happy New Year to the Lance staff and all it's readers. May 1982 be good to you!

SCOUTING AROUND

by Robin Nutbrown
The purpose of the 75th Anniversary celebration, is to promote Scouting as a worthwhile modern program which is meeting the needs of youth. Scouting is proud of its past and is eagerly looking forward to the future. Careful planning must be done to ensure the celebration activities:
(a) are part of the regular ongoing activities - not an "extra" tacked on.
(b) are planned so the general public has an easy access.
(c) are spaced throughout the period February 1982 - July 1983, so the Anniversary has impact during the eighteen month period. There will be several highlights during the celebrations:
Feb. 21-28, 1982 - Scout / Guide Week - launch of celebrations - 125 years since the birth of Baden - Powell.
Aug. 1-9, 1982 - 75th Anniversary of the first official Scout Camp at Brownsea Island - Camps with the theme "take a friend to Brownsea."
Feb. 20-27, 1983 - Scout / Guide Week - 75 years of Scouting in Canada - Group reunions.
July 4-14, 1983 - 15th World Jamboree in Alberta - Join-in Jamborees - Wind up of the 75th Anniversary.
This schedule provides a major event every six months during the celebrations. Each group or section can plan their own activities to make best use of the opportunities provided. Historical, museum type displays which show Scoutings' past will be of interest to former members who wish to reminisce. Today's youth and their parents will be attracted by modern, active programs showing that Scouting is "with it."
Our members and potential members will judge the success of the celebrations by what they do.
The 75th Anniversary - an opportunity to build for the future.

You may have noticed in the papers or heard on the radio that we are advertising for new members for our board of directors. In reply to the inquiries that have been coming into the office, qualifications for members are "interested citizens who are residents of Huronia." The area that we serve takes in Midland, Penetanguishene, Tiny, Tay, Flos Townships, Port McNicoll, Victoria Harbour, Christian Island and Elmvalle. These are the areas for our purposes, that we consider Huronia. We meet once a month on the third Thursday of the month. I submit a report of the happenings through the month, a treasurer's report and a statistical report. The board goes over each report and through these decide the direction our Centre should be taking, evaluate various requests for assistance, identify unmet needs in the community and plan future fund-raising events. A member may be required to assist with fund-raising events or on occasion, if their schedule allows, man the office if the staff are involved in development or training programs. For the most part no one person needs to spend too large an amount of their time on the running of the Centre. If you feel you have something to offer our Centre or that you would enjoy working with

us by all means send a resume or letter of application. On a totally different note, we've received notification that the Minister of Community and Social Services, Frank Drea, announced approval of a \$1.2 million supplementary budget allocation to improve the rates paid to foster parents by Children's Aid Societies. The improvement of foster care rates is the latest in a series of comprehensive provincial initiatives aimed at improving foster care. Other initiatives include: the addition of 52 staff to societies to further develop foster care programs, the development of public awareness campaign materials to promote foster care, adjustments in foster care rates to compensate for rapidly accelerating food costs, funding specialized foster care programs for the developmentally handicapped. The solution to even the most difficult problem begins with the first step. If you have a problem, take the first step. Call Contact your Community Information Centre today.
