## Hobart

### Some like it cold

by Beulah M. Barr  
Mr. and Mrs. Wm. Butt spent Christmas with her mother and sisters and their families, all of Niagara Falls, Ont.

Mrs. Annie Richards is enjoying the warmer climate of Florida (when it is warmer, that is). She is spending the winter there, as is her custom.

Sympathy is extended Mrs. Boyd Dunlop and Mrs. Gerald Reid and family in the sad loss of a daughter and sister, Velma, recently. Mrs. Dunlop resides in Coldwater and Mrs. Reid at RR 3, Coldwater.

Mr. Howard Dunlop has been hospitalized, suffering from frostbite he acquired when his truck balked on him on a recent intensely cold day with the temperature hovering below zero F. While he was endeavouring to revive the truck, Jack Frost was busy also. Mr. Lytle Johnstone, RR 4, Coldwater, a neighbour of Mr. Dunlop's, drove him to the hospital for treatment.

Congratulations to Jason Smith of Hobart and his Great Great Uncle Jack Barr, 4 Esther Anne Drive, Orillia, Ontario, who celebrated their respective birthdays on Jan. 14. Belated Happy Birthday is extended them both.

Mr. and Mrs. Leo Berthelotte, of Barrie, formerly residents of this area, left on Jan. 12, travelling by train on their way to spend some weeks with their daughter, husband and family, who live near Chicago, Illinois. It is hoped the bad weather conditions south of the border did not detain them along the route.

Mr. and Mrs. Dan Hunniset and family are now settled in their new house, having completed the moving of their household effects

### Pick of the parts winners

The BP service centres in this area cleaned up in this year's Bourgeois Motors Ltd., Pick of the Parts Contest. From left are John Bourgeois, Bourgeois Motors Ltd. general manager, winner Chuck Fraser of Little Lake BP, Midland, winner Hans Rick of Rick's BP, Penetanguishene, Cel

Paule of Cel Paule and Sons, and wholesale sales representative Bruce Sibbald. The contest was open to all garages, service stations, body shops, and fleet accounts using Ford and Motorcraft parts for repairs between Sept. 1, 1981 and Oct. 31, 1981.

## Important meeting tomorrow

### complications of diabetes

by Alleyne Attwood, R.P.Dt.

Dr. John K. Warnica from Barrie will be guest speaker at the January meeting of the Canadian Diabetes Association tomorrow, at the Knights of Columbus Hall, Penetanguishene.

Dr. Warnica's discussion will give information concerning one of the complications of diabetes - impaired vision.

Because uncontrolled diabetes with its high level of blood sugar causes circulatory problems, the tiny blood vessels of the eyes are almost always affected.

Often people who call themselves "borderline" diabetics do not take this complication seriously enough. Controlling the slightly elevated blood sugar could save the grief that later poor eyesight brings.

This should therefore be a meeting that these "borderline" diabetics or persons where there is a family history of diabetes, should attend.
