

### Jitters in rehearsal

Jitters, a play about the theatre, is to be presented by the Huronia Players at Midland Secondary School Feb. 12, 13, 19, and 20. The Jitters cast will use the set built for the recently concluded run of My Fair Lady, because it is so

similar to the set that the Players would build. Above during discussion at a rehearsal are, from left, Audrey Hamilton, Frank Holme, and director Mark Warrack.

### Leading lady and leading man

In costume backstage before one of the recent performances at Midland Secondary School of the popular

musical My Fair Lady are MSS students Julie Noack (Eliza) and John Gallagher (Henry Higgins).

## Considerable damage to George St. home

Midland fire department officials will attempt to pin-point today the cause of a major fire that ripped through a two-storey frame home at 204 George St., yesterday shortly after 12 p.m.

Fire Chief Terry

Lethbridge noted following the inferno that damage "will be considerable."

Four fire hoses were played on the burning structure before firefighters managed to bring the three-hour

inferno under control. Thick black smoke from yesterday's house fire towered over the building and could be seen for several blocks.

The fire chief added, that just as his men were mopping up, the Midland Fire Depart-

ment received a call from the Oak Ridge division of the Mental Health Centre at Penetanguishene for assistance.

However responding firefighters later discovered the call to be a false alarm.

## Big Sisters in sixth year

Huronia Big Sisters Association, in its sixth year, is continuing to develop and grow.

Not only is the energy of a number of local men and women being devoted to matching Big and Little Sisters and helping them to have meaningful relationships, but this energy is also being directed towards an involvement with other Big Sister organizations in Ontario.

Specifically, the Huronia Big Sisters Association has become a member of the Georgian Bay Big Sisters Association. This association has provided an opportunity for the sharing of ideas, concerns

and funds among local organizations.

Members of the Georgian Bay association, in turn, act as representatives in the Ontario Big Sisters Association where again the communication among the various organizations proves to be worthwhile.

As a volunteer organization, the Huronia Big Sisters Association feels fortunate to have in it high calibre of interested and hardworking men and women who are committed to the goal of providing friendship and guidance to young girls in need of such a service.

## Snowsqualls winter isn't over, yet!

Public works employees and their counterparts from the Ministry of Transportation and Communications worked 'round the clock late Wednesday afternoon and well into the wee hours of yesterday morning mopping up after a major snowsquall that ripped through Huronia, other parts of central Ontario and down into the Mid-U.S.A.

Again blinding snow whipped up by high

winds made driving at times next to impossible.

The best place to be Wednesday night was right at home. As for the weekend? We could be in for our fifth weekend in a row of snowsqualls and blizzards as forecasters are already calling for less-than-ideal weather for the next 36-48 hours.

So what's new?
