Works restored

The restoration and conservation laboratory of the National Gallery of Canada in the last year undertook 73 major projects or treatments of works and completed

need it.

Requests for same may be made to Arnold Tippin, the dispatcher, or the Noble Grand of Midland Odd Fellows, Frank Godfrey, or any member of the Midland Odd Fellows Encampment or Rebekah Lodges.

A large portion of the funds to finance this local service is raised by the Bingos held each Saturday night at the Odd Fellows Temple on Dominion Avenue, and the balance is realized through individual contributions and the several money-raising projects conducted by members of the three lodges throughout the

year. Gordon Campbell P.D.D.G.M.

February is Heart Month in Ontario. Yesterday morning at Huronia District Hospital, Joan Lavin, (left), co-chairwoman of the residential campaign in this area presented roses from Perrin's Flowers to new mothers at the hospital to signify the beginning of the campaign. During the month, the Ontario Heart Foundation will be conducting a door to door canvass in hopes of raising 10-12 thousand dollars for heart research. Also in the offing is a colouring contest for students of area schools in grades kindergarten to three. So when the heart fund canvasser calls on you remember "A healthy heart means a happy life". Shown receiving a rose from Mrs. Lavin is Sheila Moreau.

Brrr. It was c-c-c-cold

Yesterday dawned under clear blue skies to -25C readings.

However be prepared to put a few more logs in the fire place this month since February is traditionally the coldest month of the year in most parts of Canada including here at the Gateway to the 30,000 Islands.
