

## Rainbow days

Some anglers are taking advantage of the year-round season on rainbow trout in Georgian Bay. Edgar Lesperance of Perkinsfield shows there is more than just luck in taking big fish. Lesperance landed this ten and a quarter pound rainbow trout while fishing near Collingwood. That wasn't the end of his day. Along with fishing companion, Eric Binns, they managed to land five rainbow trout ranging in size from five to twelve pounds. Not a bad day's fishing.
