

This is what we should've done

Chester Graham, coach of the Midland Secondary School Midget Boys' basketball team, chats it up with his players during what proved to be their final game of the season Monday at Midland Secondary School. Graham's squad was knocked out of the Georgian Bay Secondary Schools

Athletics Association Zone finals by Orillia District Collegiate Vocational Institute after a valiant effort in both games of their best-of-five series. The MSS Senior and Junior squads were eliminated in earlier zone playoffs. (Photo by Fred Sharp)

OUCH!!! Stoneleigh Midgets stopped in opener

The Midland Stoneleigh Motors Minor Midgets dropped the first game of their Ontario Minor Hockey Association quarter-final series 9-3 to Aurora

last Sunday in Aurora. John Sallows, Tom Hook and Mike McLaughlin were the goal-getters for the Midland squad. In their final regular-

season Georgian Bay Minor Hockey Association game played last Friday in Thornbury, the Midland team hammered the host club 11-5.

Jason Baguley led the way in that one with three goals, Marlon Geiseler notched two, and singles were provided by Dean Marcellus, Kevin Thomas, Bill Kennedy and John Sallows.

It was a chippy contest, with Midland picking up 24 minors, one five-minute and one ten-minute misconduct. Thornbury took 28 minor penalties.

The Stoneleigh squad will travel to Amherst, N.Y., tomorrow for a pair of exhibition games and will host Amherst March 20 for a return match. Game time for that one will be 9 p.m.

Peewee series tied at one game apiece

The Penetanguishene IGA Peewees will meet Parry Sound Sunday at Penetanguishene Arena for the third game in their best-of-five Ontario Minor Hockey Association playdown series.

The series stands even at one game apiece after an opening 9-6 victory by Penetanguishene and an 8-6 win by Parry Sound. Sunday's matchup will start at 3:30 p.m. A fourth game will be played in Parry Sound next Saturday and a

fifth and deciding game, if necessary, will go March 14 in Penetanguishene -- again at 3:30 p.m.

Stuart Restrup powered the Penetanguishene team in their opening win with five goals and two assists.

Rob Desroches and Mark Dubeau each notched two goals.

Charles Bottineau and Restrup shared the spotlight in the second game with two goals apiece. Brad Banks and Brent Dubeau rounded things out for the IGA squad.

GBSSA championships

St. T's are ready

The St. Theresa's Senior Girls' Volleyball team will take their next big step toward the Ontario championship tomorrow with the Georgian Bay Secondary School Athletic Association championships at Twin Lakes Secondary School in Orillia.

Also tomorrow, the St. T's Midget girls will compete for the GBSSA title (the finale -- there's no Ontario Midget championship) against five other squads at Orillia's Park Street Collegiate.

If the Senior squad can get by their four opponents, they'll move on to the Ontario Federation of Schools Athletic Association championships, slated for next weekend in London.

Coach Bruce Finlayson expects Barrie Central Collegiate -- who knocked St. T's out last year after St. T's did them in the previous year -- should prove to be the toughest opponents once again.

Greys deflated

The Collingwood Shipbuilders smothered the Owen Sound Greys 6-2 in the first game of their best-of-seven Ontario OHA Major Intermediate A Hockey League playoffs Tuesday in Collingwood.

Winner of the series will meet defending champion Georgetown Raiders in the championship final series.

St. T's strategy, according to Finlayson, will be to "go with what got us here."

And that "what", at

least as far as the teams St. T's have buried so far this season are concerned, is a pretty potent pronoun.

Morton, Milley division win

The Lynn Morton and Gwen Milley rinks of Midland Curling Club captured the Inter-divisional Ladies' Tankard title with victories over Wiarion and Parry Sound Tuesday in Parry Sound.

The win earns the double-rink entry a berth in the Southern Ontario Ladies' Curling Association Ladies Tankard Championships, slated for March 24 in London.

Sutton was also entered in the Parry Sound competition, but was eliminated early by the host entry.

The Midland rink will be one of four rinks competing in the SOLCA finals in London.

At the Midland club, the two-day Ladies' Open concluded last night.
