# Busy as a Keego

The Midland Y Keegos have a busy schedule through the spring season.

Last week at the Midland Y, the Keegos assisted the Elementary schools of the area in their Annual School Swim Meet.

On April 3, Special Olympics swimming is being held at the Midland YMCA. The Huronia Association for the Mentally Retarded have asked the Keego swimmers and parents for assistance as officials.

The Keegos travel to Muskoka on April 4th for a Developmental Meet and on April 16-18 they will compete in the Ontario Championships in Toronto.

May 2 is also a date to mark on your calendar: this is the annual "Swim-a-thon", the major fund-raising event for the Midland Y Keegos and the

Canadian Amateur Swimming Association.

The day is composed of two events, a "Swim-a-thon" by the Keegos and a Celebrity Swim. The final event of the year is the Midland Invitational Swim on May 15-16.

This fall the Midland Y Keegos are implementing a new program developed by the Canadian Amateur Swimming Association and sponsored by Imperial Oil.

The purpose of ESSO Swim Canada is to provide an opportunity for Canadian youths to further their interest,

involvement and skill development in the sport of swimming.

Esso Swim Canada is for youths ages 8 and up who have some basic swimming ability, since this is not a learn-to-swim program. Each participant will be exposed to some 25 swim skills such as: --proper technique in the four fundamental strokes: freestyle, backstroke, breaststroke and butterfly; --correct racing starts and turns for each of the strokes; --endurance swimming;

--instruction in the proper use of kickboards, pull buoys, hand paddles, and pace clocks; --fundamental training principles.

The program consists of six achievement levels for which there are 14 individual awards.

Esso Swim Canada is not a talent-identification program. Achievement standards have been established to allow a minimum of 85 percent of all participants to complete the Gold level. Assessment techniques have been designed to permit candidates to progress at their own rate. Swimming fast is secondary. Of the 14 individual achievement levels only three have time-related standards. The Midland Y Keegos are looking forward to a strong finish to an already successful season. They also welcome new members at any time and are enthusiastic about the ESSO Swim Canada program.
