Minor softball executive needed

A meeting for anyone interested in helping form a minor softball executive for Penetanguishene will take place at the Penetanguishene Arena Lounge tonight, beginning at 7:30 p.m.

The Penetanguishene Recreation Department is seeking volunteers to help administer the softball program, which in the past has been restricted to a house league system (running only in May and June) and a couple of all-star girls' teams.

Rec Department Director Ron Marchildon said he would like to see more softball for boys at the all-star level and for younger girls.

Meetings to help organize and broaden minor soccer and tennis club programs will be held later this month.

RCA hits back with big guns

With backs against the wall, RCA pulled out all their guns and fired a winning volley in the fifth game of the Georgian Bay Senior Mens' Hockey League best-of-five championship series this week at Penetanguishene Arena.

RCA's 10-5 victory narrowed Olympia Restaurants' series lead to two games to one.

Olympia won the second game 9-3 on Saturday.

Fourth game of the series will go tonight (6:30 p.m.) at Penetanguishene Arena. Fifth game, if necessary, will be played Saturday afternoon at the same location.

Claude Quesnelle led Olympia's Saturday attack with four goals. Bob Bald added two others and singles were picked up by Ken Poppel, Ron Lalonde and Don Tannahill.

John Jones accounted for two of the RCA goals and Pierre Belcourt contributed the other.

But, instead of lying down and suffering at the skates of Olympia—which recently received a boost when Don Tannahill rejoined the lineup—RCA talked back with the reinstatement of hot shooters Brian Rambler and Terry Thoms for the fourth game.

Paul Hayes paced the recharged RCA squad to their first victory with five goals, Rambler chipped in a pair and single goals were had by Rick Reid, Mike Laurin and Jones.

Ken Forget responded with a pair for Olympia and singles were collected by Rick Anderson, Lalonde and Bald.

John Dickerson has been taking the punishment in the RCA net and John Jesseau has been getting his money's worth between the Olympia pipes.

It's a sure bet RCA will be fully reloaded for tonight's shootout, but, says Olympia's

Quesnelle, "We'll have all our guns out, too. It should be a hell of a finish."

Orser's gift from club

The gift of a Budd Watson Photograph to Penetanguishene native and Canadian Figure Skating champion Brian Orser at last weekend's Midland Figure Skating Club show was made by the MFSC and presented by Judy Dion. It wasn't, as was reported in Wednesday's Sports Report, a gift from the town of Midland.

The town did present Orser with a proclamation declaring April 3-4 "Brian Orser Days" in Midland.
