

Letters

Dear Editor:

Approximately one month ago, I sent a letter to the "letter to the editor" column appealing to your readers to save Colgate-Palmolive labels and place them in boxes located at most banks in the Midland-Penetanguishene area. After one month, I am reporting that only \$14.60 was collected.

The goal set by the St. John Ambulance Brigade is \$1,200.00 by the end of June. These funds are

toward a Resusci-ane which will assist in teaching artificial respiration to over two hundred people who attend first aid classes or discussions yearly.

To people who are unaware of the monetary returns per label, here are examples: 12 Litre Fab - 40 cents; Large Colgate Toothpaste - 30 cents; 6 Litre Fab - 20 cents and Palmolive Dish Soap - 30 cents.

Canvassers take a bow

Dear Editor:

On behalf of the Canadian Diabetes Association I would like to express my personal thanks to each and every volunteer and canvasser.

You are the most important people helping our

organization. Without your help we could not carry out a door-to-door appeal.

It is you who have given many people the opportunity to "help people with Diabetes". The funds you have helped us raise will be used to
