Celebs in the swim

The Midland Y Keegos have attracted several local celebrities for their annual Swim-a-thon fund-raising event, slated for Sunday, from 4 to 6 p.m., at the YMCA's Little Lake Park facility.

Most of the club's revenues are derived from this single event, and the young swimmers have been working hard canvassing the area in recent days in an effort to drum up pledges.

The Keegos executive is hopeful that a sound enough financial base can be formed from this year's Swim-a-thon to help support and continue the club's successes next season.

This year, six of the 32 Keegos competed in major events throughout the province, culminating in the recent Ontario Championships in Toronto -- including three swimmers who swam to International rankings.

The club's Novice program is developing young swimmers, toning their stroke skills and endurance.
