To date donations towards the new Meals On Wheels containers total \$1,878.

The most recent donors are: Stan Dane, Margaret Ritchie, Edna Ritchie, and the Quota Club whose total donations will purchase 7 new hot lock containers. There will be a meeting of all volunteers involved with the Meals On Wheels program on May 18 at the Centennial Arena in the Board Room to explain how the new containers work.

1982 marks the seventh consecutive year that May has been proclaimed Family Unity Month in Ontario. And once again, the provincial government is encouraging everyone - individual families, community organizations, service clubs, religious groups, local governments and others - to get involved.

A special celebration during Family Unity Month may already be part of your own family tradition. From year to year, thousands of families across the province observe Family Unity Month with specially planned events, such as picnics, family reunions and weekend excursions.

But for the true spirit of Family Unity Month to catch on right across the province, it's also important for us to reach out and share our enthusiasm with others. It takes just one person to plant the seed for a Family Unity Month activity - a special project or event which involves not one but many families in local neighbourhoods, school districts, and entire communities.

The solution to even the most difficult problem begins with the first step. If you have a problem, take the first step. Call CONTACT your Community Information Centre today.
