

# ESPSS has a good prep

The Ecole Secondaire Penetanguishene Secondary School track and field teams will be entering tomorrow's

CKMP meet on the right foot after six new school records were established at the ESPSS intramural field

day meet Monday. Suzanne Desroches blasted three records in the Junior girls' division, bumping off

the old marks in the 800, 1,500 and 3,000 metre running events.

However Desroches' efforts were overshadowed by Carrie Fedorowich, who took top spot in the division and set a hurdles record with a time of 14.52 seconds. Ann McNamara finished third in the Junior girls' category.

The other two records

came in the high jump events, with Michelle Desjardins clearing 1.38 metres for a new Senior girls' mark and Andy Bayfield leaping to 1.64 metres and a new Midget boys' standard.

Brian Wagg was overall winner in the Senior boys' division, Tim Spicer was second and Dave Robillard finished third.

The Senior girls' title

went to Ann Collins, with Maureen Walsh second and Carmen McNamara third.

Loren Marcille won the Junior boys' crown, Mike Cinq-Mars was runner-up and Mark Yoru was third.

Roland Laurin won the Midget boys' honors, Mike Pilon was second and Perry Beasoleil got up for third.

Winner of the Midget

girls' laurels was Wendy Puddicombe. Luanne Heou was second, Beatty Spencer and Lisa Vivian tied for third.

The ESPSS team will host squads from Midland Secondary School, Ecole Le Caron and Elmvale District High School in tomorrow's annual local get-together.

The meet will get underway at 11 a.m.
