

Mixup causes miss

A scheduled Barrie and District Recreational Soccer League game between the Midland Autos and Hellas was cancelled Wednesday because, says a Hellas player, there was confusion over the reported name

of the club. Ken Tsangaris, one of two Midland residents on Hellas, with Tom Doullas) said the new all-Greek club was originally called Barrie Town and Country but was changed to its present name when

other sponsors objected. A revised schedule was released with the new team name, but apparently several media contacts and team representatives of other teams didn't receive a copy. Tsangaris said that

when Wednesday's game was announced through the media as a matchup between Barrie Town and Country and Midland Autos, confusion developed among the Barrie team's ranks and team leaders informed

the league Wednesday afternoon that they were calling the game off.

Autos coach Don Foster said his club was informed about 5 p.m. Wednesday.

Tsangaris said yesterday he doesn't know whether the game will be re-scheduled or if the Autos will be awarded the game by default.

Foster said "as far as we know, we won it by default."

The Autos' next match will be Wednesday at MSS against Barrie American Hotel.

The following Wednesday, Barrie American Hotel will be back at MSS to meet Midland Indusmin.

The local games begin at 6:45 p.m.

The Autos have only played one game so far, that a 4-1 loss to Indusmin.

It was a classic 0-0

Midland Indusmin and Barrie Derk's Railings drew to a scoreless draw Wednesday at Midland Secondary School in what Indusmin coach Malcolm Lonsdale described as "one of the best soccer matches I've seen in this area in a long, long time."

For both teams, it was the second outing of the Barrie and District Recreational Soccer League season. In their openers, Indusmin beat

Midland Autos 4-1 and Derk's hammered Barrie American Hotel 5-0.

Indusmin and Derk's are now alone at the top of the league standings.

The play was end to end and wing to wing throughout Wednesday's matchup, and both clubs had several good scoring opportunities.

One of Midland's best scoring chances came with only 15 seconds remaining in the game when Dan Scott rapped

one off the post. Andy Wickstead and Bill Richardson were named the top Indusmin

players in the game by referee Eric Deininer and captain Rod Billiners.

All for Fun

Today is the final day for registration in Monday's YMCA-CKMP Run for Fun.

Last year about 70 runners took part. Spot prizes will be awarded and refreshments will be available to all participants.

For further information or registration forms drop by the Y or call Rick Leclair at 526-7828.

Heels over head

A member of Barrie Derk's Railing boots the ball over his head into the Midland Indusmin zone during Barrie and District Recreational Soccer League action Wednesday at Midland Secondary School. The Indusmin squad did their share of fancy booting, too, and the end-to-end game wound up in a scoreless tie.

Bulls' energy goes to T.O.

The Midland Bulls Rugby Club won't be in action tomorrow, but their energy won't be going to waste this holiday weekend.

Monday, the Bulls will set out for Varsity Stadium in Toronto where they'll join a few thousand other rugby enthusiasts from around the province in viewing the Canadian East All-Stars against the English National team. Bus tickets may still be available for the trip.

Organizer John Nix says they should run no more than \$8 and may be had by calling Nix at 526-3544.

You can bet the Bulls will be keeping a close eye on the proceedings of the proficient clubs engaged in Monday's clash: so far this season, the Bulls are zero for four in their Mid-Ontario Rugby Union exhibition schedule.

Next outing for the Bulls is slated for June 5, when they'll meet the Oshawa Seconds at Midland Secondary School.

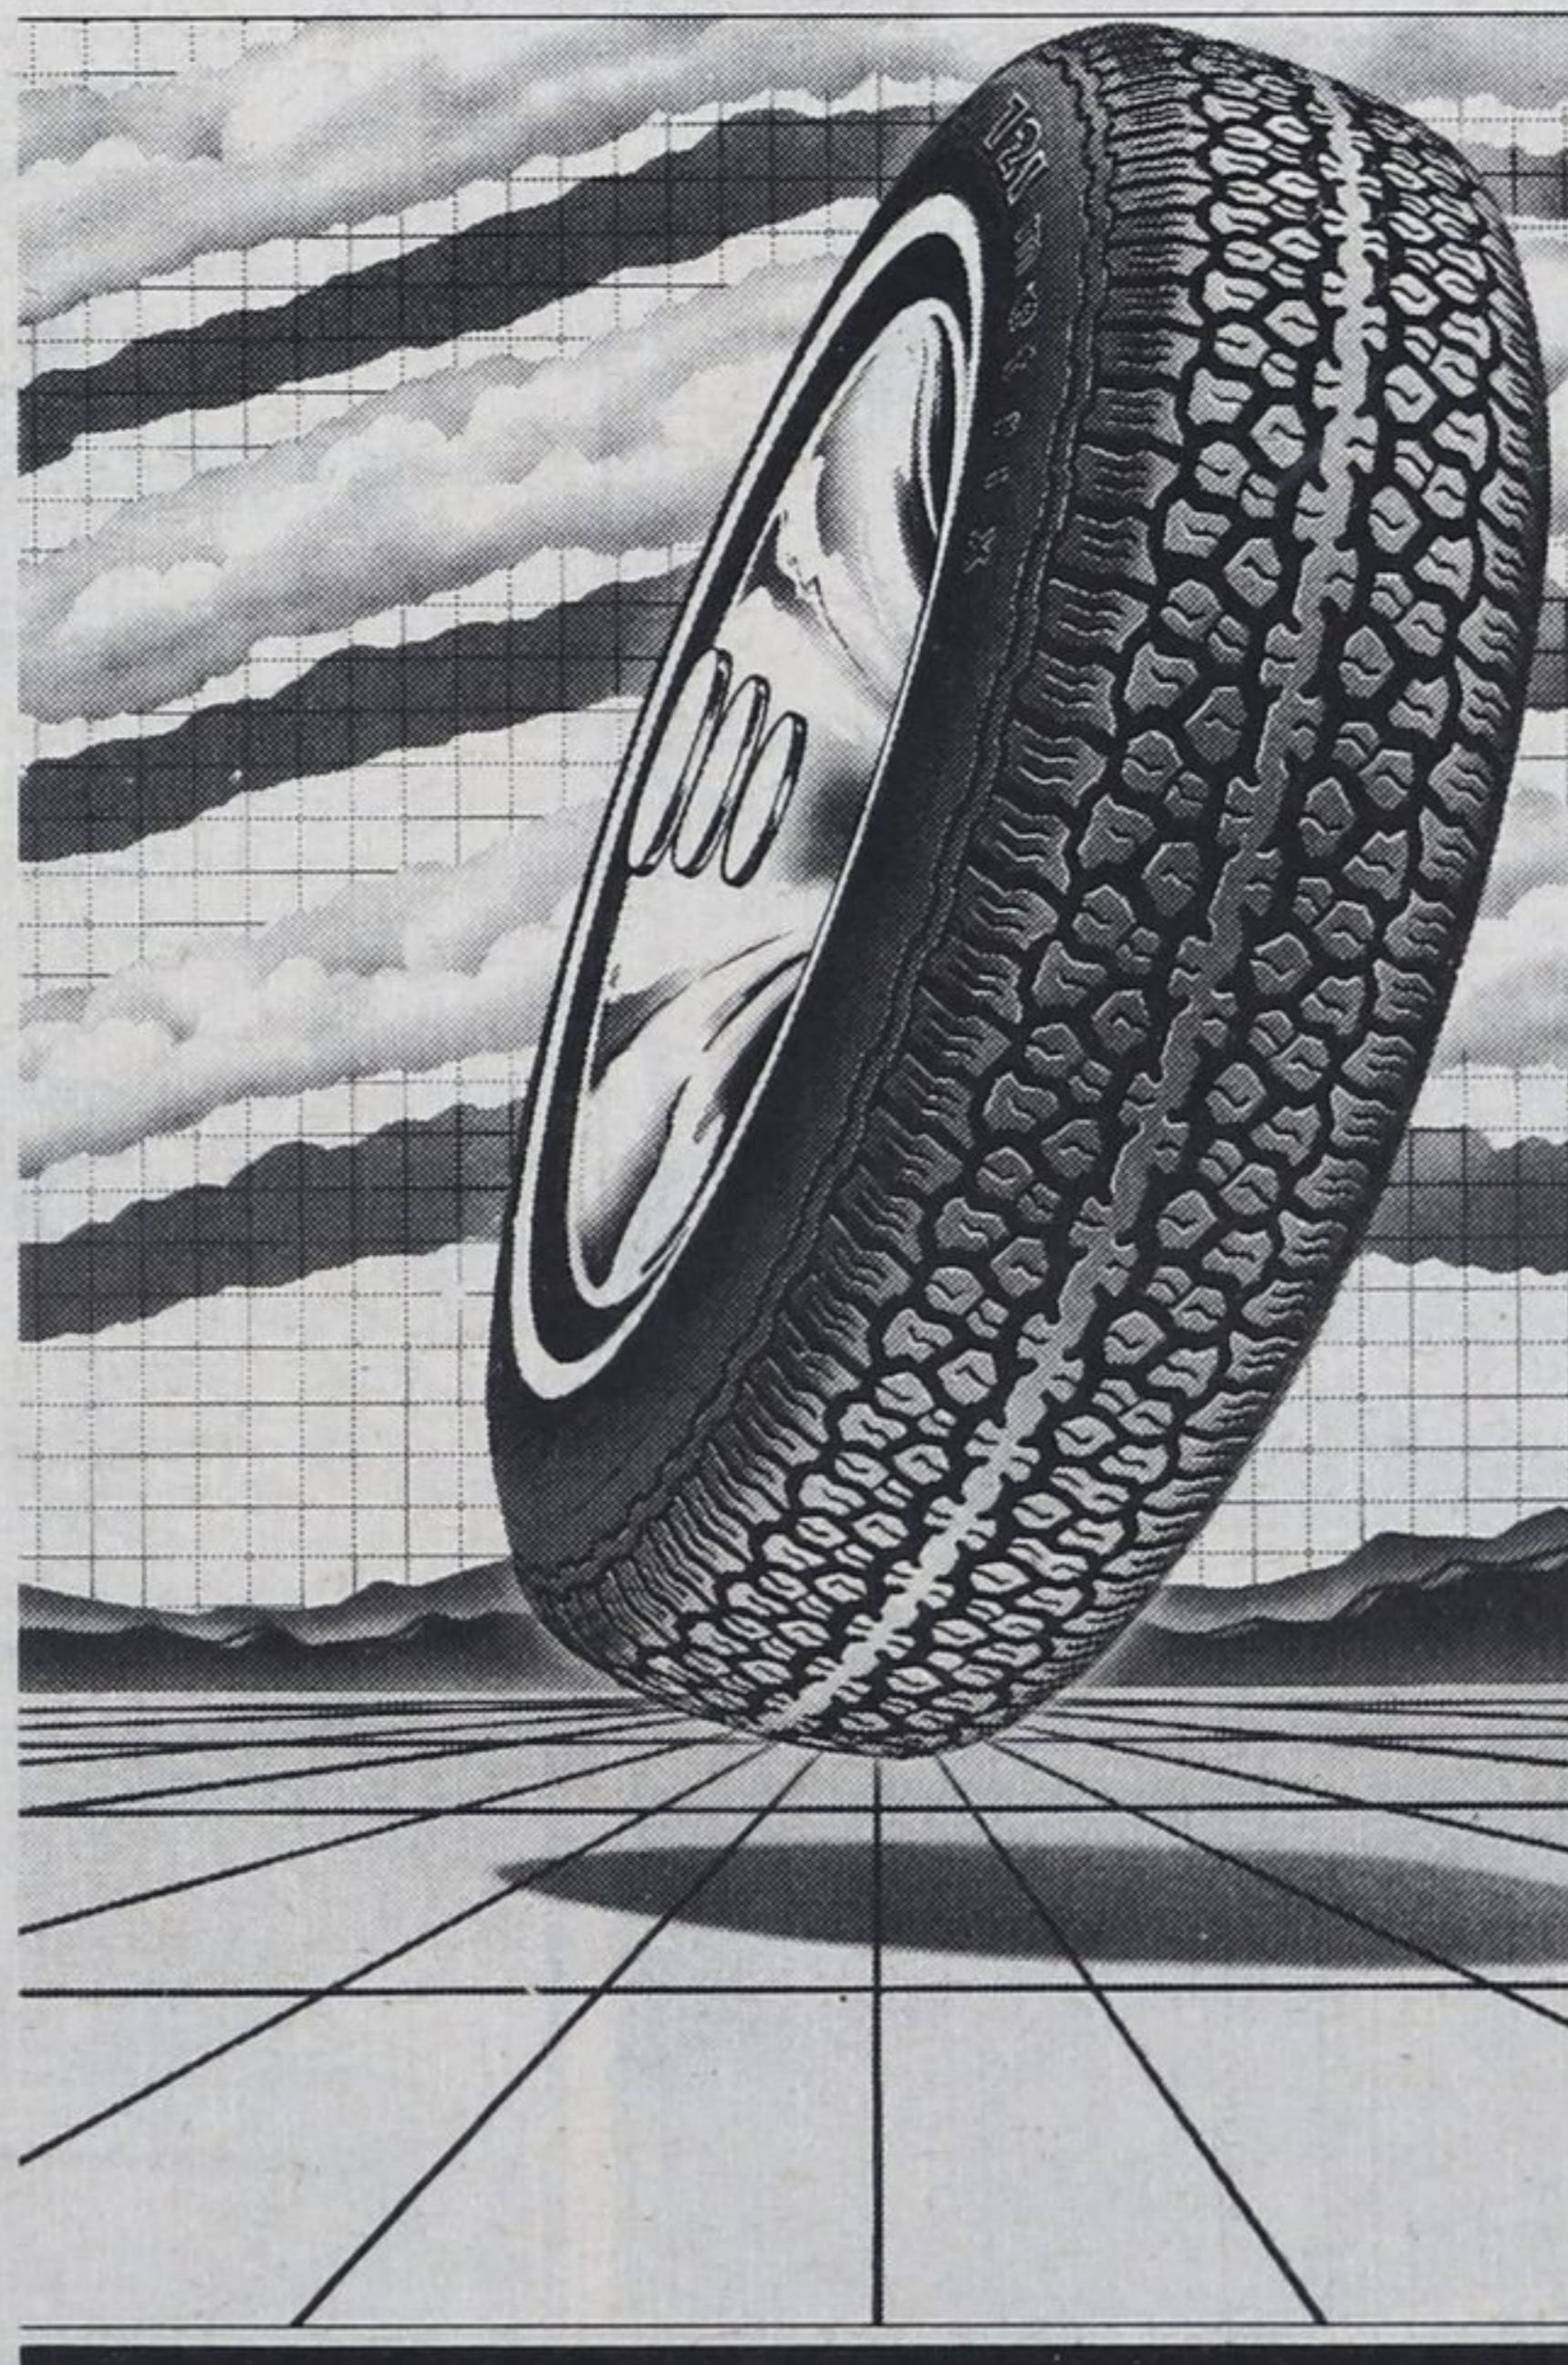

Their counterpart Old Bulls will be at it next Friday when they travel to Toronto for a game with the Leprechauns.
