

A healthy cheque

Tin Lizzies and Rumble Seats...

"In my merry Oldsmobile, on my way to see Lucille" is a popular old song that thrived during the early of the automobile. The Ontario Agricultural Museum at Milton will be reliving those days on June 5 and 6 when it presents "Tin Lizzies and Rumble Seats".

The weekend is the national judging meet of the Historical Automobile Society of Canada which involves over 100 antique cars. The meet is a first class event with a number of activities taking place. On Saturday June 5, all vehicles will register at the Museum. A 'fleamarket' will be held from 10 a.m. to 4 p.m. where participants and the public can buy or trade parts. That afternoon will be a time for exploring for all vehicles and drivers, which will do a fast and slow tour of the Halton Region.

Sunday's events provide a perfect outing for the whole family to see the glamorous automobiles of the past. Over 100 cars will be judged in 14 classes from 11 a.m. to 5 p.m. Visitors can get involved in the judging by choosing their favourite vehicle for the People's Choice Trophy.

Can you imagine a car put together in 5 minutes and then driven away? A special demonstration of the "Model T Take Apart Car" at 2 p.m. does just that - it will certainly give all visitors something to think about the next time the family car is taken in for repairs! Entertainment will also be featured all day Sunday by the 'Dixieland 6' Band. As the price of gasoline continues to climb, a restored Model A presents a look at the future as it drives around the grounds on ethanol fuel.
