

# Gymnastics Corner

by Ken St. Amant

Gymnastics anyone? Once again the Hurons will be offering a summer day camp for gymnastics at Corpus Christi Public School in Penetanguishene.

We will be offering two programs. The advanced level will be in the morning from 8:30 a.m. to 12 noon. The beginners program will be in the afternoon from 1 p.m. to 4:30 p.m. The camp will be open to both boys and girls from 5 to 16 years old.

### Programming

For the girls, training on the floor, balance beam, vault and uneven bars will be provided. Along with this, fitness and dance will be taught.

Boys have the opportunity to practice on the floor, parallel bars, high bar, vault pommel horse and vault. Physical fitness will also be an important aspect of the program.

There will be a limit of 45 gymnasts a session. Judging from last year's program, you'd better plan on registering early. Last year most of our programs had long waiting lists.

This year we're trying a different approach in respect to the length of time that the program will be in operation: we'll be operating on cycles of two weeks.

As a result, there will be four two-week sessions. Each session will be as follows:

—Session one: Monday, June 28 to Friday, July 9.

—Session two: Monday, July 12 to Friday, July 23.

—Session three: Monday, July 26 to Friday, August 6.

—Session four: Monday, August 8 to Friday, August 20.

Participants may sign up for more than one two-week session.

Cost will be \$25 for each two-week session. However, if you sign up for two sessions (four weeks) you only pay \$45. In addition, there will be a discount of 25 per cent for other family members.

If further information is required, please contact John Turner (526-6007) or Ken St. Amant (526-3992).

Wednesday, June 9 -- General membership meeting, Corpus Christi School, Penetanguishene.

# Eagles stopped

The IUE Sluggers (formerly the Sluggers, then the Chargers, now the Sluggers again -- for good) snapped the Techform Eagles' four-game unbeaten streak with a convincing 23-10 thrashing in Huronia Slow Pitch League action last week.

The Sluggers were led by the two-edged swordsmanship of Nick Sager, who pitched the Eagles down and contributed a home run to boot. Butch Bowen also chipped in one homer.

In other action, Goman Boats split a pair of games which left them tied for first in the West after Techform's loss. They crushed Bay Mills 23-3 Monday night, handing Bay Mills their fourth straight loss, but were edged out 11-10 by Leitz on a pair of errors

by their leftfielder in the final inning.

Leitz was led by the pitching of Paul Henderson and a towering three-run homer by Dan Henderson.

Simcoematic won a pair of games, 6-3 over Steelbrite and 15-6 over the Sluggers, to stay within striking distance of the leaders in the West division.

Steelbrite suffered a second loss, 11-3 to

Ogilvie Mills, in a rescheduled rainout game. After their big game of Thursday against Goman Boats, Leitz came up flat and lost to Wilkin's Automotive 11-7 in a closely-fought match.

In the only other game, the Weekend Warriors jumped out to a 13-run lead in the top of the first inning and held on to defeat the Donut Villa 19-12.

## Pro speakers

Perry Anderson of the St. Louis Blues and Fred Bomistruck of the Toronto Maple Leafs were the special guests at Wednesday evening's Penetanguishene Minor Hockey Association windup banquet at Penetanguishene Arena.

Individual and team awards were presented during the annual post-season ceremonies. A complete list of recipients will be carried in Friday's Sports Report.

## Puff loop opens

The opening games of the 1982 Midland Ladies' Powder Puff Recreational Baseball League schedule will be held tomorrow evening at Parkview School.

All games will begin at 6:30 p.m.

No league registrations will be accepted after the opening games.

Volunteer umpires are still urgently needed. Anyone interested in helping out is asked to call Alice at 526-7482.

## Local players get draft nod

Goaltender Ken Dunlop, who helped the Penetanguishene Kings to their bronze-medal Ontario Hockey Association Junior C finish last season, was selected by the Belleville Bulls in last Saturday's OHA Midget draft in Toronto.

Dunlop, who played the final half of his midget season with the Kings, was chosen in the 13th round.

Dunlop was called into service with the Kings when regular partner to Kevin Steele, Jeff Hogg, moved out of town and finished the season with the Waterloo Siskins.

Hogg was also selected in Saturday's draft, chosen in the eighth round by the Oshawa Generals.

Another Penetanguishene native, John Johnson, was selected in the tenth round by the Peterborough Petes. He campaigned for the Barrie Colts Junior B's the past season.

Reg Kenwell, a resident of Flos Township who played last season with the Essa 80's Junior C club, was picked up in the 12th round by the Peterborough Petes.
