Ontari-ari-ario! Yours to discover!

A unique Tourism Management Program, designed to provide the growing Canadian tourism industry with qualified management personnel, has been successfully launched by the School of Tourism at Georgian College in Barrie. The newly-formed School of Tourism also includes the two-year Resort and Hotel Operation program and the Cook Training program.

The three-year Tourism Management program began in September 1981 with 76

highly motivated students entering the first year. A further 120 students are expected to enter the program this September, bringing the School's numbers to about 300 full-time students.

The program has some highly qualified personnel at its head. Vern Telford, Co-ordinator, Tourism Management, joined the College in 1981 following 12 years with the Ministry of Industry and Tourism. He was involved in marketing the very successful

"Ontario Yours To Discover" campaign, and he participated in the design and execution of the hospitality awareness

program "We Treat Your Royally". Telford also had Ministry responsibility for several tourist industry associations

including the Ontario Motel Association; Federation of Snowmobile Clubs; Campgrounds and Ontario Ski Resorts.
