Indusmin shooters tied up

'We should have scored 15', says coach

Midland Indusmin missed several prime opportunities and wound up with a 1-1 draw with Hellas in Barrie and District Recreational Soccer League play Wednesday in Barrie.

remained winless in four games after a 6-1 loss to Barrie Dykstra Electric at Midland Secondary School.

Kent Goldsmith scored the lone Autos goal on a penalty kick

early in the first half. Goaltender Richard Shoemith came up with several brilliant saves to earn Midland player of the game honors.

Andy Desroches scored Indusmin's goal

in the second half of Wednesday's encounter after a pass from Andy Wicksted.

George Diamantakos, one of five Midlanders on the Hellas squad, a new league entry,

scored the goal for the home side.

Indusmin coach Malcolm Lonsdale said the score could have been pretty lopsided in his club's favor but for the outstanding play of the Hellas goaltender.

"We should have scored about 15 goals," Lonsdale said. "We hit the crossbar and we missed a lot of open nets."

Lonsdale said he played only ten men in the last 15 minutes of the

game "and we were still running circles around them."

But the Midland coach still praised the Hellas players for their effort, saying "they're a much better team than we expected. Actually, they're quite good. I'd say they're a team to watch."

Hellas coach Ken Tsangaris of Midland (other locals on the squad are Tom Doullas, Paul Duval, and George and Gus Diamantakos) was serving as coach of Hellas for the first time, and said the club was better organized than in previous games.

Wednesday's tie gave Hellas their first point of the season, but they've met some of the strongest clubs in the league so far.

Indusmin's next outing is scheduled for Monday, when they'll travel to Barrie again to meet the powerful Italian Sportsmen club. Wednesday, they'll be back in Midland for a 7 p.m. matchup with Barrie Simcoe Block.

The Autos will also have their feet full in their next match when they meet the Italian club next Wednesday in Barrie. Hellas are at it again next Wednesday as well, taking on Derk's Railings at their home field in Barrie.

It was the second draw tie for the Midland squad in four games. They won their season opener over the Midland Autos and lost a recent match against Barrie American Hotel.

In another game Wednesday, the Autos

Eight teams will vie for top prize money of \$300 in the annual Vasey Field Day fastball tournament tomorrow

Bramalea will clash with Brechin.

Vasey, Midland, Hillsdale and Elmvale are all members of the Simcoe Rural Fastball League.

This will be the first tournament of the season for the Raiders, defending SRFL champions. Next weekend, in co-operation with the Midland Jaycees,

they'll host a 16-team event in Midland.

Runners-up in tomorrow's competition will receive \$150.

Proceeds will be used to support both Vasey fastball clubs.

Kings are back

The Penetanguishene Kings haven't shared the same bench since they nailed a bronze medal in the Ontario Hockey Association's Junior C championship tournament a couple of months back, but they should be no less potent when they take on the Penetang-Midland Ball Hockey League selects in a special benefit ball hockey game tomorrow night at Penetanguishene Arena.

Carl Cowan, Dave Robillard and the rest of the Kings gaag will meet a collection of PMBHL stars in an effort to raise cash for the Penetanguishene General Hospital's current equipment-fund drive.

The game is slated to start at 8 p.m. Admission is \$1.50 for adults, 75 cents for students and free for children under 12.

Spectrums game is called off

Tonight's scheduled South-Simcoe Baseball League game between the Midland Colour Works Spectrums and the Barrie Juveniles at Tiffin Park has been postponed due to a tournament commitment by the Barrie club.

The Midland Junior squad will next be in action Sunday at Tiffin when they meet Owen Sound for a doubleheader beginning at 2 p.m.

More Braves are needed

The Midland A.E. LePage Novice Braves lacrosse team needs about five more players to fill its roster so it can get the season underway and take aim at the Provincial championships, coach Bruce Murdoch said yesterday.

The team is for boys ages nine or ten, and for those coming out for the first time, all that's required is a hockey helmet, gloves, shorts and running shoes. The rest, including a lacrosse stick, is supplied.

Murdoch said about

ten boys have been signed so far.

Next practice for the club is slated for next Thursday, 6:30 p.m., at Midland Arena. Murdoch says he hopes to fill the roster so he can take the club to the provincial championship tournament in

Kitchener at the end of August.
