Today, the Trans-

Canada telephone network boasts the longest single microwave system of communication in the world, which stretches over 3,900 miles from the Atlantic to the Pacific.

## Airport budget struck at \$32,300: Sullivan

Huron Airport's 1982 budget is \$32,300 of which Midland will have to come up with 55 per cent of that amount, Penetanguishene, 28 per cent and Tiny Township, 17 per cent, reports airport commission president Bob Sullivan.

The additional \$36,000 this newspaper referred to last Friday was set aside in a reserve account to purchase additional land at the tri-municipal facility.

We regret the confusion Friday's story may have caused.
