

Still probing

\$880,000 damage
and no cause yet

There's still no word concerning what caused an \$800,000 fire at Bay Moorings Dining Lounge early in June and an \$80,000 blaze at the Penetanguishene Curling Club late this month.

Fire Marshal's Office officials have been advised of both fires and in the case of the Bay Mooring's one, investigators actually sifted through the debris and warm ashes left in the wake of that fire.

Meanwhile Police Chief Dennis Player along with Fire Chief Ted Light continue to probe the cause of both fires.

And today marks a special event in the life and times of Chief Player.

The Penetanguishene police chief is celebrating his first anniversary as head of the town's police force.

Terry is remembered by family, friends...

Yesterday marked the first anniversary of the death of Terry Fox who lost his long battle against cancer after running half-way across Canada on his Marathon of Hope.

A simple wreath-laying ceremony was to have taken place at his grave in Port Coquitlam, B.C. yesterday.

The young man's attempt to run across our nation was cut short last September in Thunder Bay where last week a statue of Fox was unveiled to mark his courage and his marvellous Marathon of Hope which inspired an entire nation.

Congratulations to Brian Maurice, son of Guy and Rosalyn Maurice, and to Miss Linda Herring, daughter of Mr. and Mrs. Jim Herring of Penetanguishene. Linda and Brian were married June 12 at St. Ann's Church in

Penetanguishene. Following the wedding ceremony, a beautiful reception was held at the Country Mill near Midland. The happy couple plan to reside at Cambridge, Ont.

Mr. and Mrs. Warren Hussey were again very pleasantly surprised June 15, the actual date

Cottagers: We knew you were coming so we made a kit!

Cottagers are a sign to us that summer is really here. We want you to enjoy yourselves and to come back again and again. The Midland Public Library and the Georgian Bay Regional Library System have put together a kit of helpful pamphlets to make

your stay safe and easy.

The pamphlets, from both the Ontario and Federal governments, explain how to test your water, how to compost, swimming and bicycle safety rules, tips for surviving in the woods, safe boat operation, avoiding mosquitoes and rabies; what you should know about long-lease campsites, and allergies and where to find wildlife management areas for viewing wildlife and picnicking. We're offering one kit to each family.

You can come in and pick one up at the main desk. We're open Monday to Friday 10:00 to 5:30 p.m. and 7:00 - 9:00 p.m. Saturdays during July and August we open from 9:00 - 3:00 p.m.

Have a happy holiday!

Maurice-Herring wedding

of their 25th wedding anniversary. Thirty-eight to 40 people, from the community, deluged in on Bunny and Warren that evening, in the pouring rain, to help them celebrate their Silver Wedding.

The community presented them with a

toaster-oven and a set of tv trays. Another highlight of the evening was a lengthy poem, 'The Buckwheat Straw Plan,' recited by Mrs. Edgar Campbell. A lunch wound up a most enjoyable evening.

We are just starting into summer vacation

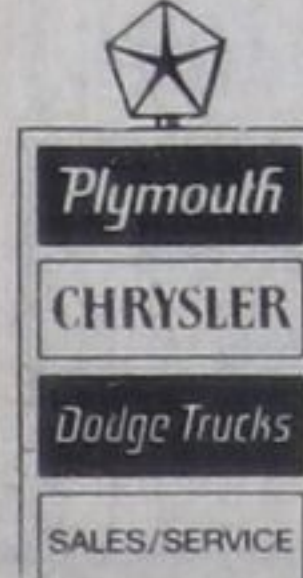

and already interesting things are lined up. The

Diabetics all over the world can now lead normal, happy lives thanks to two Ontario doctors, Banting and Best, who discovered insulin back in 1922.

Recreation Group is sponsoring swimming classes July 12 week, also July 19 week. For more information pick up forms at the Lucky Dollar Store or at the school.
