

SWIM OR EAT A 'BURG

You can do both this weekend in Penetang

The World Famous Dock Lunch, situated at the foot of Main Street in Penetanguishene will be the scene for two Penetanguishene Centennial events this weekend.

Saturday at 11 a.m. more than 20 swimmers will swim for prizes in the Dock Lunch Challenge Swim.

Those competing will have to swim from the town dock across the harbour and back to the Dock Lunch.

You still have time to enter this big event. Then on Sunday at 1:30 p.m., the Dock Lunch will be hosting its famed "Hamburg Eating Contest."

Last year's winner Dwight Duhamel of Toronto will be back wolfing dog 'burgs in an effort to retain his crown.

Last year he swallowed 16½ hamburgers. The world's record is 21½.

By the way the Dock Lunch will have its race car on hand for racing fans to marvel at. The car competes at Barrie Speedway throughout the long, hot summer months.

A neat way to learn French

Georgian College in Barrie is offering French Second Language courses at beginner, elementary, intermediate and advanced levels, starting July 12. The 42-hour courses will be held Monday through Thursday from 7-10 p.m. for three-and-one half weeks. The fee is \$60.

Catherine Morisset, Co-ordinator of the College's French programs, says the courses will present a fresh approach which emphasizes spoken French in daily use. Course content will include the use of audio visual material, video tapes, films, guest speakers and social events.

For those who are advanced in the French language, Morisset says, "Le cours de francais avance IV vous aidera a perfectionner votre francais, avec des discussions, des rencontres et des sorties."

Cafe de la Cour

by Adrienne Graham Gardner
A Main Street attraction in Penetanguishene once again this summer is the "Cafe de la Cour" hosted by the Centre d'Activites Francaises.

Residents and visitors to town were attracted as soon as the cafe opened last week, by the colourful sun umbrellas which shield each table. Customers will sit this year on raised levels, built on railroad ties and

surrounded by quaint picket fencing and flower boxes.

In addition to a spectacular view of Penetanguishene Bay, patrons of the sidewalk cafe will have an ideal vantage point for people-watching on Main Street.

However, the main attraction has to be the food. Cafe manager, Monique Marchildon offers soup and homemade bread for 90 cents, quiche and salad for \$3.00, desserts including

natural yoghurt with maple syrup or carrot cake (85 cents to \$1.10) and a variety of hot and cold drinks ranging from espresso coffee to rosehip tea.

Along with Monique, students Lucie Maurice, Gilles Marchildon, Nadine Lalonde and Madeleine Blondin will be working at the cafe for the summer.

On rainy days the cafe continues to serve customers in the Boutique Chez-Nous at the French Centre.
