## 'Now hear this...'

Penetanguishene took the salute from aboard ship tied up at the Town Dock. To add color to the occasion, the Canadian Government Coast Guard ship "Spume" was in Port alongside the saluting base.

After the sail past a pot luck supper was held in Bayfield Park adjacent to the Military and Naval Establishments.

The weather for the occasion was excellent and a most pleasant day was enjoyed by all.

## Campaign chairman pleased

**Dear Editor:**  
On behalf of the Midland and District Unit of the Canadian Cancer Society it is with deep appreciation that I express my sincere thanks to those that contributed so much to make this year's Campaign a success.

The co-operation of the members, captains and volunteers who organized the canvass to attain our financial objective and commitment to the Ontario Division of \$32,000 was so well executed that we surpassed our goal. The collections to date amount to \$34,000.

Again, many thanks.

Sincerely,  
-A.J. Goodchild,  
Campaign Chairman,  
Midland & District Unit,  
Canadian Cancer Society.

## And the winner is...

During Midland Sewing Centre's 22nd anniversary sale customers were given the opportunity to win a new sewing machine. They also had a chance to see the newly renovated downtown Midland sewing centre first

hand. Making the draw, left, is Mayor Moreland Lynn. Right, is the sewing centre's Morris Steffler. By the way the machine was won by a Peterborough woman.

## Job seekers...help is on way

A job search workshop for young people interested in gaining on-the-job experience will be held on July 20 and 21 at the Civic Centre in Midland.

The workshop is being sponsored by the Ontario Career Action Program (OCAP) and will be led by Clark Nickol of Employer Services, Georgian College. OCAP is financed by the Ontario Ministry of Colleges and Universities and administered by the College.

## Tops target this year

**Dear Editor:**

On behalf of the Canadian Cancer Society I would like to express our gratitude to the people of this district for not only meeting our goal of \$32,000 but by surpassing it.

In these times of high inflation and the great amount of unemployment in the area it is especially encouraging that people still realize the great need to fight such a dread disease as cancer.

Without the help of many people who gave much of their time and effort the campaign could never have been so successful. The Quota Club, as in other years spearheaded our campaign with the daffodil drive. The campaign committees, canvass organizers and canvassers themselves worked very hard and diligently putting in many hours of their time to make our campaign a success.

Most important of all are the people who gave so generously when the canvassers knocked on their doors.

If anyone was missed and would still like to donate, it is never too late. Simply drop in to see Norm Ranson, manager of the Toronto Dominion Bank and he will be glad to accept any further donations.

Thank you again and please know that we will continue the fight with your help to prove that "CANCER CAN BE BEATEN".
