

**Contact**  
Community information  
526-9333 9 a.m.-5 p.m.

by Irene Quesnelle, Administrator  
Summer is here and our community is a hive of activity. Our Centre is busy preparing for Midland's Annual Sidewalk Sale. Pam Carruthers, Cathy Levack and Shari Howell will be manning our tables this year. The girls will have lots of information to pass out, buttons and cookbooks for sale. Be sure to stop by and say hello, to Contact and the Volunteer Bureau.  
We've had a couple of changes here at Contact recently. Barb Emerson, Contact's secretary for six and a half years is moving to

Barrie and will no longer be the cheerful voice answering our telephone in the morning. We're going to miss Barb, but wish her and her family much happiness as they settle in a new community and in their new home.

Shari Emerson and Mike Howell were married on July 2. Shari is one of our staff at the Volunteer Bureau. After a honeymoon at Niagara Falls they have settled in an apartment on Elizabeth Street. We wish Mike and Shari much happiness and a long life together.

On July 21 Faye Mansfield, Consumers Service Officer from the Department of Consumer and Corporate Affairs will be in town to conduct an information seminar for consumers. The seminar will be held at the Volunteer Bureau upstairs at 246 King Street, at 1:30 p.m. The public is welcome to attend. If you have any consumer problems Faye will be happy to assist you.

Thanks to everyone who worked so hard to make our Second Annual Big Wheelie the success it was. Pledges may be dropped off at

our office at 298 First Street.

The Senior Citizen's Club is having a bazaar on July 16 from 2-9 p.m. with a tea and bake table at the Senior Citizen's building at First Street and Hugel Avenue.

I returned to work on July 6 and I'm happy to be back. Thank you for the cards of well wishes while I was off.

The solution to even the most difficult problem begins with the first step. If you have a problem, take the first step. Call Contact, your Community Information Centre today.

**Justice, economy concerns Queen's Park**

by Al McLean, MPP Simcoe East  
Over the past few days justice issues and the management of our economy have been the chief topics on the Order Paper at the Provincial Legislature.

Presently before the House, are proposals to amend the seat belt law that will require all children under five to be in safety approved car seats when travelling in the family auto.

In the Justice Committee, members of all three Parties are examining the policies and spending of the Provincial Secretary for Justice and the Solicitor General's ministry. This process is called estimates and provides MPP's with a chance to have a direct influence on the running of government departments.

The Secretary for Justice administers a relatively small Ministry. The role of this Ministry is to co-ordinate the activity of the Province in all judicial issues in order to reduce duplication of activity and over-spending.

The Solicitor General has a variety of duties, but his chief responsibilities are the management of the Province's police force and the Ontario Fire Marshall's office.

Last week, the Natural Resources Committee of the Legislature began its 30-hour examination of the Provincial budget. The Treasurer's proposals have received a lot of analysis in the media and among members of the Ontario Progressive Conservative caucus.

Personally, I have found one or two points in the budget that I cannot whole-heartedly agree with and I have relayed my concerns, along with those I have received from the riding of Simcoe East, to the Treasurer.

Bad times hurt governments just as much as they hurt industry or the private individual. With demand for government services becoming greater, the Treasurer is finding that traditional sources of revenue were drying up.
