

Hot stop

The action was certainly hot and often heavy as the Midland Huronia Volleyball Club hosted its first triples tournament of the season Saturday at its Little Lake Park courts. The courts will be the site of several more tournaments this year, but are still open free of charge to the public most any time. (Photo by Bruce Finlayson)

Toronto teams win VB club triples tourney

J.J. and the Funk Brothers may sound like a disco ensemble from Detroit, but actually they're a very good trio of beach volleyball players from Toronto.

Good enough, in fact, to win the Midland Huronia Volleyball Club's Men's A division triples tournament title with a 15-12, 11-15, 15-8 victory over the Bod Squad at the club's Little Lake Park courts.

Both of the Mens' A division finalists were made up of threesomes (triples is three on a side) from the Scarborough Solars and York University clubs of the Ontario Volleyball Association's Senior group.

Local players comprised four of the 19 teams in the three-division event and all the local squads kept things competitive.

Both area threesomes in the Mens' A division placed third in their pools, just one point out of second.

Brian Quesnelle, Vince Deschamps and Bob Heins formed one of the teams and Rick Presse, John Quilty, Paul Cox and Gerry Robitaille made up the other.

Another local trio, Les Crowe, Chris Brennan and Owen Quilty, competed in the Mens' B division and came up with a fourth-place finish.

Toronto Plas! won that one with a 15-12, 15-7 dunking of the Toronto Wizzards in the final.

Patti Cox, Jean Goodrow, Viki Baziliauskos and Sue Presse were the local reps in the ladies' division. They also finished fourth, with the Bears, a squad made up of players from the top Junior team in Canada, defeating Toronto R&B 15-8, 15-6 in the championship.

Next Midland-hosted tournament will be a doubles affair (two a side) July 25.

Eight from area win special medals

Eight athletes from Huron Park Public School and the Midland Adult Rehabilitation Centre earned medals at last weekend's 1982 Ontario Special Olympics track and field championships in Toronto.

More than 220 athletes from 12 Ontario regions took part in the event, a qualifying competition for next summer's International Games in Baton Rouge, Louisiana.

All eight Midland athletes, representing Region 6 (from Richmond Hill to Muskoka), ranked high in their events and age groups, but final selection of the team for the International Games won't take place at least until

fall. The Baton Rouge games will also include floor hockey, bowling, swimming and several other events.

Cindy Cruise of the Midland ARC led the local contingent with five medals. She won the gold medal in the 200 metre run, silvers in the 100 metre dash and 400 metre run, and bronze medals in the running long jump and high jump events.

Vince Patterson of the ARC won a gold in the 200 metre run and silvers in the running long jump and 400 metre run.

Other ARC representatives were Bernard Moreau, who earned a gold in the 100 metre run and a bronze in the 200 metres; Paul

Moreau, with a gold in the running long jump and a bronze in the 100 metres; and Marty Dell, who brought home bronze medals in the standing long jump and running long jump.

Brenda Pilon of Huron Park won a gold medal in the shot put, silvers in the 100 metres and running long jump and a bronze in the standing long jump.

Other Huron Park participants were Louise Dignard, who put in a gold-medal performance in the ball throw, picked up a silver in the 200 metres and a bronze in the running long jump, and Mike Lacroix, who won a silver medal in the running long jump and a bronze in the 400 metres.

Spike free

The best things -- or almost the best things -- are still available for free to all area beach volleyball enthusiasts.

The Midland Huronia Volleyball Club's Little Lake Courts beach courts are open for free public use every day for any group from a pair to a dozen or two.

Nets and balls are available from the Midland arena office, and all that's needed to pick them up is a piece of identification to be left as security.

The club also holds a free adult recreational program each Wednesday evening from 7 to 9 p.m.

Summer Girls next week

Due to some bad weather and worse timing, we're postponing the start of our Summer Girls photo feature until next Wednesday. But it'll be worth the wait...
