

### Getting in shape

One of the popular attractions at last week's Sidewalk Sale in Midland was this local Dance Fit group which literally danced up a storm for the

hundreds of downtown Midland shoppers who took in the program.

## Awards

Midland Secondary School was jam-packed for this year's annual graduation ceremonies. Students, teachers, family and friends gathered to watch this memorable event which included the presentation of certificates, graduation diplomas, scholarships, memorial awards and trophies.

#### The Sandi Smith Memorial Award

This award is presented to honour the student who has made the greatest contribution on a continuing basis during his or her years at Midland Secondary School in the fields of music and/or drama. It is presented to a student in his or her final graduating year at Midland Secondary School.

#### The Paul Jagos Memorial Award

This award is presented to the technical student who has successfully completed the year four course in one or more technical subjects, and has been active as a good citizen of the school by participating in such activities as athletics, clubs, student government or any other activity conducive to the wellbeing of the school and or fellow students.

#### The Douglas Brooks Memorial Award

This is an award for the Grade 10 Level 1 or Grade 10 Level 2 student deemed most personable, dependable and helpful to his or her fellow students throughout the year.

#### The Reed-Manuel Memorial Award

This is an award for the Grade 10 Level 1 or Grade 10 Level 2 student deemed most personable, dependable and helpful to his or her fellow students throughout the year.

This Bursary is presented annually to that student graduating from Grade 12 at Midland Secondary School, and proceeding to post-secondary education, who, in the estimation of the selection committee, shows the most marked overall development through his or her high school years.

Consideration will be given not only to scholastic achievement, but to maturity in attitude, conduct and responsibility as well. All other factors considered, preference will be given to students according to financial need.

#### The Grace McMullen Scholarship

This scholarship is awarded to the top student in Grade 13 who has also taken French.

This award is presented to the boy and to the girl in Grade 13 who have the highest total marks in three Mathematics subjects and Physics.

#### The R.C. Gauthier Award
