

# Penetanguishene Council Briefs

Penetanguishene Council, Monday night, authorized a joint application with the Town

## Vasey

Mr. and Mrs. Melvern Isaac visited with Mrs. Myrtle Johnson at the Huronia Nursing Home in Stayner on Friday.

A community shower was held on Thursday evening for Marilyn Moriarty who will be married in August. Marilyn also took up residence in North Bay on Monday where she is beginning a new position.

Mr. and Mrs. Clare McKeown attended the Archibald - McKeown wedding in Fergus recently. During the past week they visited with friends and relatives in London and Sarnia. This week Amanda McKeown of Bracebridge is visiting with her grandparents.

Friday evening the Vasey United Church congregation held a Country Family Night at the "Old Hancock Place". Keith and Cathy Hancock and family were the hosts and after a Healthy pot luck supper an evening of entertainment was enjoyed by all. This included a sing song led by the Joyful Noise, a puppet show presented by a group of girls from Midland, a duet by Nicole and Paul Turner and the fashion show presented by "six beautiful ladies?" with the fall fashions being shown. This was followed by some good old square dancing.

The Vasey congregation were joined by friends from the Ebenezer, Victoria Harbour, and Midland congregations. This was enjoyed by all and there is a rumour that another Country Family night may be held in the fall.

Registration Forms are now available at the Tay-Victoria Harbour Union Library for Dance Fit. Fall Session starts Sept. 13 for 10 weeks at Victoria Harbour Public School. Contact Midland YMCA or Tay Victoria Harbour for more information.

of Midland for designation under the federal Industrial and Labour Adjustment Program Monday night.

The ILAP program "provides financial assistance to industries to locate in areas where heavy loss of industry has occurred", according to Penetanguishene town clerk, Yvon Gagne.

If approved, Midland-Penetanguishene will join only four or five other areas in Canada designated for incentive grants from the federal government to incoming industry, says Gagne.

## Sore eyes

Deputy-reeve Frances St. Amant stated in Monday evening's Council meeting that the recently built Water and Light building at the end of Payette Street is "a sight for sore eyes."

St. Amant said that she had received many complaints about the appearance of the building, which she said was "no more than a shack." The new building houses a pumping station.

Mayor Ron Bellisle said that he had been assured that the building would not be visible because it would

be hidden behind a mound of earth. He was told that it had been built on top of the mound instead. The Mayor said he would investigate the situation and report back to Council.

## Accounts

Council authorized the payment of the following accounts at their regular meeting Monday night:

General Government \$49,855., Fire Department \$6,219, Police \$6,446, Animal Control \$2,467, Public Works \$20,705, Sewage Treatment \$4,893, Development and

Housing \$1,574, Waterfront Community Centre \$2,905, Museum Operations \$3,540, Miscellaneous Financial Expenses \$29,451, Payroll (month ending July 8) \$78,289, Arena, Parks and Recreation Board \$37,339.

## Cenotaph

Council has entered into a formal agreement with Branch 68 of the Canadian Legion to share in the cost of renovations to the Main Street Cenotaph. Work to be done includes spot lighting, new flag poles, flag stone, relocation of fence, plaques and wiring and pointing of

the original cenotaph for a total cost of \$5,650.

## Historical Buildings Grants

Grants up to a maximum of \$2,000 or 50 per cent of the rehabilitation costs for designated historical buildings will be available under an agreement between council and the Ministry of Citizenship and Culture. Applications will be screened by the Local Architectural Conservation Advisory Committee (LACAC).

## ONIP

\$200,000 has been allocated to the town of Penetanguishene by the

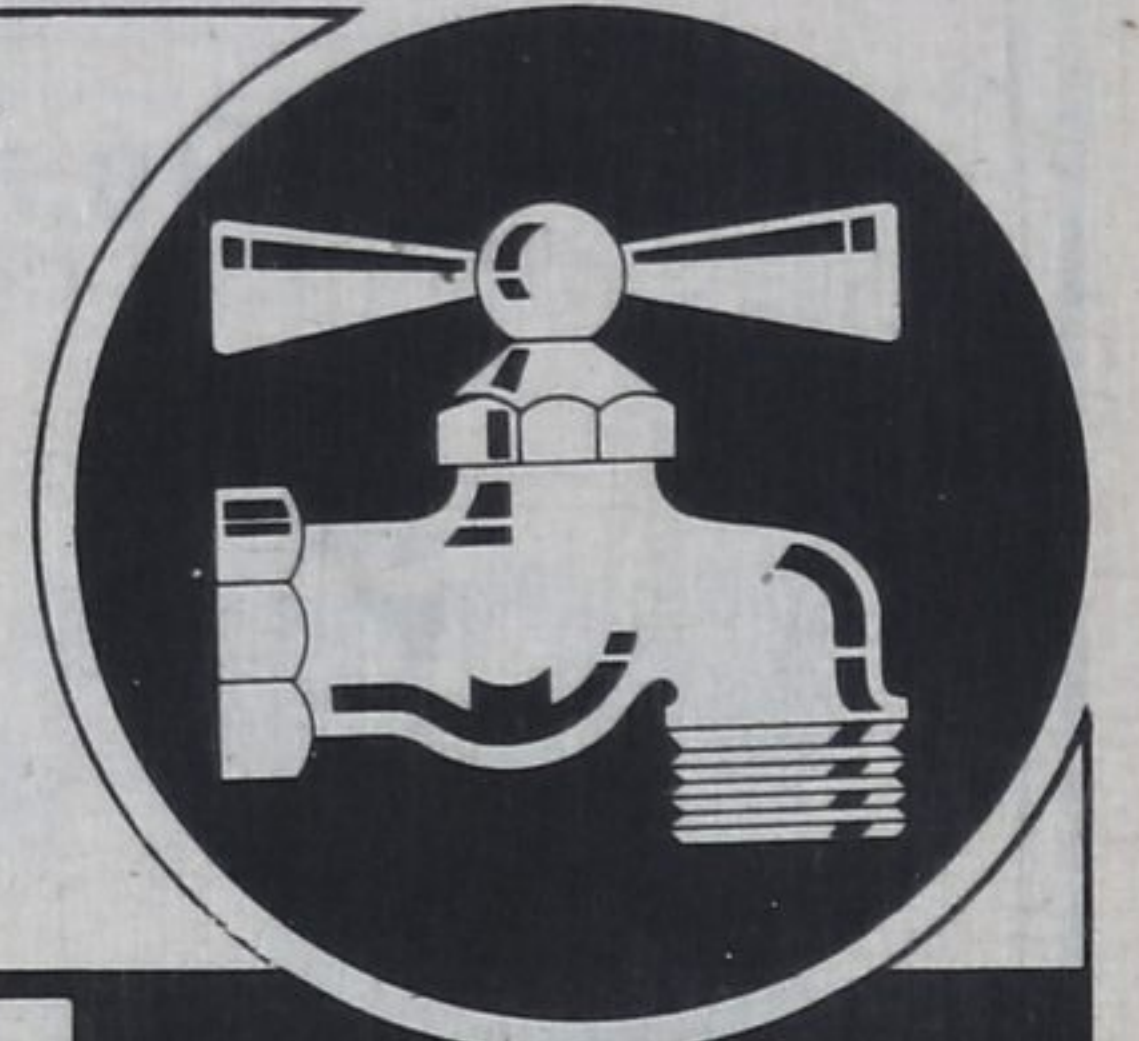

Ontario Ministry of Municipal Affairs and Housing for 1982-83 under their Ontario Neighbourhood Improvement Program (ONIP).

In his letter announcing the funding, Housing Minister Claude Bennett says the program "demonstrates the commitment of the Town as well as the Province to community improvement and the preservation and upgrading of older residential neighbourhoods."

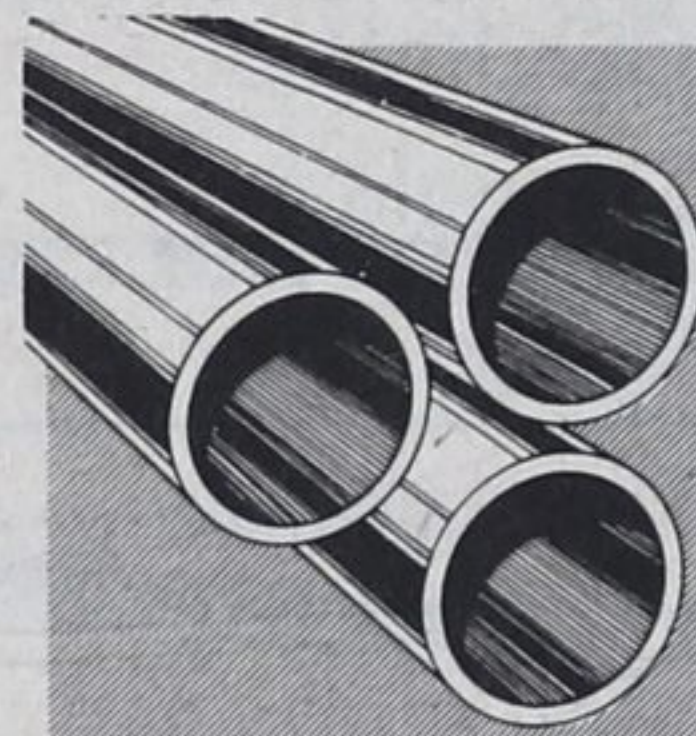

The money will be used to upgrade sewers in the north end.

When quality counts. Home Hardware has it.

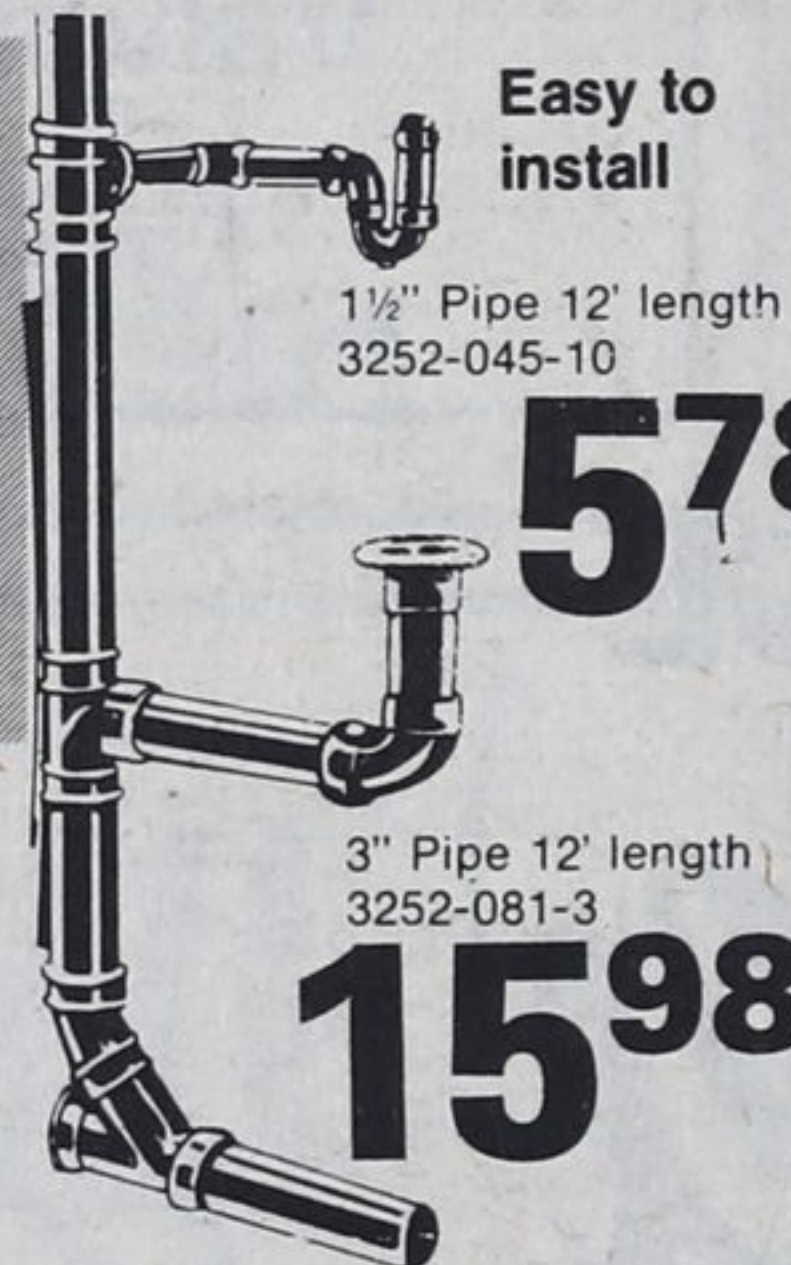

# Plumbing Values
