Positively perfect for the family

Sweet Treats brings out the child in everyone. It is hard to resist over 3 dozen varieties of candy. There is everything from smarties to suckers. Not to mention the delicious fudge.

You can get real ice cream made from fresh fruit or other goodies and there is also frozen yogurt. You can buy either in a cone or by the dish. Sweet Treats catering to your sweet tooth.

The Positive Touch specializes in hair care for the entire family as well as ear piercing. Decorated in natural wood and wicker, the atmosphere is relaxed but professional. Carol Fagan, Proprietor, Monica Koegler and Wendy Fagan are there to serve you. Larry Bourgeois will be welcoming his clients at The Positive Touch by the second week in September. Cuts, sets, tints, perms plus specialized care, that's The Positive Touch.
