Blood Donors' Clinic

roll up your sleeves Sept. 15

Pss . . . pass it on. Your blood that is! You'll be able to give your gift of life on Wednesday, Sept. 15.

That's the day members of the Huronia Branch of the Red Cross host their annual fall blood donors' clinic in Midland.

It will be held at the Yonge Street West Civic Centre from 1:30 p.m. to

8:30 p.m. The clinic's goal is 350 pints of blood and with your help this target can be matched if not topped.

Remember the person who will receive your blood will be healthier for it.

In fact every six seconds in Canada someone is helped by a blood donation.

Traffic lights are temporary

The set of traffic stoplights that have appeared at the bridge just north of Elmvale are not permanent. While the bridge is being repaired next month, traffic across the bridge will be constricted to one lane, MTC project supervisor Don Walker says.

Work on the bridge will not begin until after Labour Day.

The final portion of the work on the highway between Elmvale and Waverley, which has been underway all summer, the laying of new pavement, will start in early September, Walker said.

Stolen motorboat recovered: chief

A motorboat stolen earlier this month from Norse Boat Works was recovered Wednesday at Go-Home Bay.

Police Chief Dennis Player indicated yesterday, there was a substantial loss of contents from the boat.

Parched lawns get a soaker

A brief but heavy downpour complete with hail just before noon yesterday quenched parched lawns, gardens and crops in and around North Simcoe.
