

### GETTING BACK IN TOUCH

The Penetang-Midland Touch Football League kicks off its season this weekend ...see Friday's Sports Report for story, schedule

## IGA holds 'em back to win Junior title

Penetang IGA withstood a late-game threat from the Stewart's Gulf Junior Oilers to win the Penetang-Midland Minor Ball Hockey League Junior division crown with a 3-1 win in the deciding game last Thursday at Penetanguishene Arena.

David Gravelle and Chris Borsa put IGA in front in the first period of the third game of

the best-of-three set before the Oilers pounced to within one when Keith Maracle scored with 6:03 to go.

The IGA squad managed to hold off the Oilers and John O'Hara put a lid on it when he scored into an empty net with only eight seconds on the clock.

Chris Moreau assisted on two IGA goals.

## Kings top Atom ranks

Michael Boyd scored just past the six-minute mark into overtime to give the Asselin Insurance Brothers Kings a 2-1 decision over the Summer's Trophies Islanders in the deciding game of their best-of-three Penetang-Midland Minor Ball Hockey League Atom division championship series last Thursday at Penetanguishene Arena.

The Kings won the last two games of the series, both in overtime. In the previous game, Jimmy McLaren was the overtime

hero, and he contributed again on Thursday with the game's opening marker.

Bill Mitchell tied it up for the Islanders, with just under three minutes remaining to send the game into the extra period.

The eager sharpshooters on both sides had several opportunities to break things wide open throughout regulation time, but were denied by the excellent goaltending of David Laverdiere of the Kings and Dean Scott of the Islanders.

## 'Friendly Final' PTC wind-up

The Penetanguishene Tennis Club will hold a "Friendly Final Tournament" to wrap up its inaugural season of operation this Sunday.

The tournament is open to members and guests and will run from 8:30 a.m. to 6 p.m. at the club's Memorial Park courts.

Admission is a tin of tennis balls. Trophies, donated by Ken Gauthier Sports, will be awarded to the winners (format will be based on number of entries).

After the tourney there'll be a corn roast at Waterfront Park with the club supplying the

# Indusmin claim BDRSL title

Midland Indusmin may have won the Barrie and District Recreational Soccer League consolation championship title in a walkover -- but they don't know yet.

Indusmin were to play Barrie Simcoe Block Friday night in Barrie to decide the title after the clubs tied 1-1 earlier in the week.

But Midland coach Malcolm Lonsdale received a call Friday notifying him that the Barrie team couldn't field enough players and requesting postponement of the game a couple of weeks down the road.

Lonsdale refused; several of his own players are now attending university and it's unlikely they'd be able, or inclined, to accommodate the

Barrie team by making the trip back.

Now, the league will have to schedule a meeting to decide if it will award Indusmin the title by default.

"As far as we're concerned, we've won it," says Indusmin's Gord Fleming. "It's kind of disappointing to win it this way, but we really should have been able to put them away in that first game and we deserve it."

## Toole closes in on second

Tim Toole virtually has a lock on second place in the Canadian Boating Federation's Mod-U (Unrestricted) class after third and fourth-place finishes in series races last weekend in Picton.

The Midland powerboat racer earned two third-place finishes Saturday and scored a third and fourth-place finish Monday (Sunday's racing was blown out) to tighten his grip on second spot in the national standings.

Third-place Mark Rothenal of Toronto won't be able to catch Toole unless he comes up with a first-place effort and Toole breaks down this weekend at the national finals in Gravenhurst.

Toole's Team Mercury teammate Oley Burkis of Toronto clinched the top standing several weeks ago.

Two weeks ago, Toole finished third overall in Baie Comeau, Quebec.
