

A bit of Midland history to be dismantled

This historical landmark—the canopy over Pier "A" at the town dock in Midland—is soon to be dismantled for safety reasons. It could cost as much as \$150,000 to repair the structure over \$200,000 to replace it. Midland Harbour Committee officials hope to construct smaller units over picnic tables if funds become available.

Scott helps area group

Val Scott of the Midland Golf and Country Club joined other area representatives in a third-place finish at a ladies' inter-district tournament last week at the Willo-Dell Golf and Country Club in Niagara Falls. The Huronia District contingent fired a net total of 226 to finish behind London (217) and Peterborough (220). Scarborough District was a close fourth with a 228 total.
