TRUCKLOAD INSULATION SALE

3 DAYS ONLY!

Sept. 30,
Oct. 1,
Oct. 2

INSULATE NOW AND SAVE

Take advantage of this opportunity to get quality insulation at low, low prices. These fiberglass batts are packages in a compressed design that's easier to take home. The insulation is non-combustible, odourless and durable. It won't rot or harden and resists fire and fungi. Lightweight and simple to install, the batts are held in place by friction...you just press i nto place. Choose resistance value of R-12 or R-20.

R-20
50 sq. ft.

R-12
90 sq. ft.
