

Verbal bouquets were plentiful at Tay council's last meeting

Words of praise were extended at the conclusion of last month's (Nov. 25) Tay Township council meeting.

Reeve David Walker in his farewell address to members of council, staff and former reeve Charles Rawson referred to the number of projects which have been completed during his term and some of which are still ongoing.

Reeve Walker added some personal comments on his leaving Council on a positive note that he will now be able to direct more energy and time to his personal and business life; he congratulated Reeve-Elect Bruce Tinney on his election and then commented to each member of Council as to their duration and experience on Council.

Deputy-Reeve Bill Gibson responded to Reeve Walker's comments by acknowledging his comments were appreciated by all concerned and that he has been a most capable participator on Council, knowledgeable of all facets of all Council business and his accomplishments have been monumental "financially".

Former Reeve Charles Rawson addressed the Reeve and Council indicating that Reeve Walker's contributions will not be forgotten that he has done more and worked harder than any Councillor he has know.

Reeve-Elect Tinney also recognized the accomplishments of Reeve Walker and his dedication to Council and that it is unfortunate that such a resourceful person as Reeve Walker is lost to Council due to an election. Mr. Tinney then added that he will try to give his best over the next term of Council.

Clerk Brian Hopkins thanked Reeve Walker on behalf of all staff members for his contributions over the past six years and for the mutual co-operation between staff and Council.
